AHS Family Health Center Celebrates Community Health Center Week

AHS Family Health Center CEO with Representative Kevin Olickal Chief of Staff Tina Samuel and National Association of Community Health Center representative.

ON August 6, 2025, AHS Family Health Center organized an Outreach and Enrolment event commemorating 60 years of improving our nation's health through community health center movement.

PATIENTS are educated by the Sanofi representative.

This event took place at the corner of Western Ave and Rosemont St, where AHS Family Health Center headquarters is located at 6301 N. Western Ave in Chicago. Hundreds of constituents from the local community

AHS Family Health Center patients getting education about community engagement in clinical trials.

attended the event and learned about the services provided by the community health centers. Chief of Staff from State Rep. Kevin Olickal office Tina Samuel, staff from National Association of Community Health Centers

AHS Family Health Center CFO with Sanofi representative.

(NACHC), and Illinois Primary Healthcare Association (IPHCA) also attended and engaged with the residents.

Underserved populations

"Community health centers play a vital role in nation's health by providing accessible, affordable and comprehensive integrated care to underserved populations. In recent times many of our patients are losing insurance coverage and we need to broadcast a persistent message for our patients highlighting the importance of responding to Medicaid redetermination applications in a timely manner to prevent lapses in coverage" stated Muhammad Paracha, MD., MPH - CEO of AHS Family Health Center.

Top 30% percent

Sanofi sponsored this event and educated community residents about importance of clinical research trials and community representation opportunities to ensure diverse communities benefit from such studies.

For the past decade, AHS Family Health Center has been ranked among the top 30% percent of health centers nationally for clinical quality by Health Resources and Services Administration (HRSA). All AHS Family Health Center clinic sites are accredited by the National Committee for Quality Assurance (NCQA). More information about AHS Family Health Center is available at www.ahsfhc.org
