A Letter From the Artist

This page should be completed by the student in their own words.

**If we could only learn one thing about you as an artist,
what would you want us to know?**

Share what inspires you, what you love to create, what you hope to learn, or what makes your artistic voice uniquely yours. There is no perfect answer - we simply want to get to know you.

At Young Creators Collective, our goal is not simply to teach art - we strive to cultivate confident, curious, and courageous young artists.
