Speak French or Spanish Like A Native

Summer Session Enrollment Is Now Open

Santa Monica, May 29, 2024— "[Speak It Like A Native.](#)" an acclaimed Santa Monica-based online language school is now enrolling students for its 12-week summer session: Saturday July 6, 2024 to September 21, 2024.

Classes are available in French and Spanish and are taught by Angelique Glennon, a native French speaker, who established her school in 2001. The group classes are on Saturday morning from 10:00 a.m. to 12:00 p.m. (Beginner Spanish) as well as at 2:00 p.m. to 4:00 p.m. (Beginner French) Her much sought-after private classes are offered in-person or online by appointment only at (310)210-8688.

Glennon believes that providing ample opportunity for conversation is one of the most valuable aspects of her one-of-a-kind language program. "I use a proven system that is partly based on a European method that enables beginning students to quickly converse in French or Spanish," explained Glennon. This system is one of the most popular features of my language program - and people love it."

Since the school opened, Glennon has taught over one-thousand satisfied students. "I can't say enough positive things about Angelique and her Spanish program," said John McKee, a former student who studied with Glennon for close to six years. "It [was] the best experience possible."

Glennon uses original materials to teach all components of language acquisition including grammar, reading, writing, listening and speaking. In addition, her methodology incorporates vocabulary, pronunciation, and idiomatic phrases.

"It's fun," Glennon said about her one-of-a-kind language program. "Learning a new language increases brain health and can make you smarter. There are numerous other benefits including ease while traveling, discovering a new culture, or living abroad."

Group classes are \$897.00 for the 12-week session and private lessons are \$145.00 an hour. For more information or to enroll in one of the dynamic, life-changing group or private classes, call or text Angelique Glennon at (310) 210-8688 to set up a time to talk.
