FROM THE PRESIDENT'S PEN

"There is no I in TEAM and that's what makes this club so wonderful."

Hi everyone!

BINGO!! WOW!!! It was another very successful **Bingo** netting over \$10,000 for our charities! Thanks everyone for your hard work. I continue to receive lots of positive comments from people who attend.

We've had so many engaging activities this month. The **Ronald McDonald House breakfast** was very rewarding (page 4). Members cooked and served breakfast to many of the house guests. A **Pinwheel Garden** was built in Kane Park to bring Child Abuse Awareness to our community. Children are invited to return and pick a pinwheel after April 30.

A new fundraiser at **Five Guys** took place April 9 — thanks to everyone who came out! 10% of all sales will be donated to our club — we raised almost \$300! Don't forget your **Nothing Bundt Cake orders** are due April 23 and cakes can be picked up May 9 in time for Mother's Day. The cakes freeze well and you can always order vouchers to be used before 12/31/2025.

Scholarship applications were due by this month and the 10 applications that were reviewed by the Education Committee April 23 at the Gibson House. The applicants are always very impressive.

The **Garden District Spring Conference and Achievement Day** was April 17 at Marco's in Pennsauken and a fantastic day. Thanks to all the members who submitted entries into the Arts & Culture Achievement Day. Our club had 21 registered entries which led all other clubs, and 12 of our members also volunteered to assist with registration, running entries to their display locations, printing awards, and scribing for our judges. It's always great to see everyone's creativity!

Did you make your hotel reservations for the **NJSFWC Convention** in Atlantic City? You have until Friday, April 25 to get the discounted rate.

Our annual **Healthy Bodies Challenge** ended on March 31 (see page 11), and **Relay for Life** is Friday, May 30 (page 4). Have you signed up to be part of our team, Sweet Charity?

Looking ahead, our annual **Yard Sale** is Saturday, May 17 at Jan's house. We will be attending the Cherokee HS play on May 23 with dinner at Taverna before the play. The **Installation and Awards Dinner** has been scheduled for Monday, June 9. I hope to see you at the April General Meeting!

Our club has been busy thanking the many restaurants, businesses and individuals for very generous donations of gift cards and other items for the spring Bingo Dining Around Town raffle and Basket Auction which helped to make the event a huge success! Please support the businesses that are helping us to achieve our fundraising goals to continue our mission of making a difference in our community. A list of these vendors will be available at the April meeting. Many thanks also to **Elaine Barbagiovanni**, a member who relocated to Missouri, but once again very generously donated funds to enhance the basket auction. It is so kind of her to continue to participate across the miles. Notes of gratitude have also been sent to several of our club's family members who have been very active and helpful with the ongoing Berlin thrift store and house clean-out and distribution project. Much appreciation to Sean Waters, Bob Schwart and Sal Fardella for their invaluable efforts!

Relay For Life

This year, Relay for Life will be on FRIDAY, May 30th from 5-10 p.m. at the Marlton Memorial Complex. We are registered so sign up to be a part of our team or to donate to the American Cancer Society at www.relayforlife.org and reference our team name: *Sweet Charity*. We will be staffing the lap counter station and will also have face painting! Watch for more information on the fun Relay for Life Trivia Night — one of our MWC teams won first prize last year!

It was another record-setting bingo event for the club on March 30, 2025 at Indian Spring Country Club.

Arts Performing

- Recently I was lucky enough to attend two wonderful performances – one on film and the other at a theatre. The movie was **Audrey's Children**, the true story of Dr. Audrey Evans who was born in York, England in 1925. Dr. Evans was a pediatric oncologist who spent most of her career working at the Children's Hospital of Philadelphia (CHOP). Dr. Evans was known as "Mother of Neuroblastoma" because of her work treating children with the disease. In 1971 she created the Evans staging system to determine neuroblastoma disease progression and determine what treatments would be most effective, reducing mortality rates by nearly fifty percent. Dr. Evans saw the need for a home away from home for both patients and their families while being treated at CHOP. She was introduced to the Philadelphia Eagles owner, Jimmy Murray, after the team had raised \$100,000 for children with cancer in honor of one of the player's daughters who had leukemia. When she was accepting the money Evans let Murray know that she would need another \$32,000 in order to buy a house for the children and their families. Murray asked Ed Rensi, Regional Manager of McDonald's, to donate this and Rensi agreed under the condition that the house would be named the Ronald McDonald House. The film was recently in local theatres.
- The show I saw was **DREAMGIRLS**, which tells the story of a 1960s Supremes-like girl group that catches its big break during an amateur competition. This is a dazzling production with powerhouse vocal performances and an unforgettable score. A wonderful evening of musical theatre! **DREAMGIRLS** is at the Walnut Street Theatre until May 4.
- Nancy Schwartz, June Adair, and Linda Magee attended the **Garden District Arts Performing Day** at Salem Community College, reading our skit from the 2024 Installation and Awards Dinner. Thank you, ladies!

- The Cherokee High School production for Spring is **High School Musical**. We will attend the Friday, May 23 performance for a club outing. Those who wish to will meet for dinner beforehand at Nene's Italian Market, 42 E. Main Street, Marlton, at 5:15 p.m. Val has purchased group tickets for the event.

Health and Wellness Awareness

- ◇ Our 5th Annual MWC Healthy Bodies Challenge results are in! I'm really proud of our record 18 participants, who worked hard on eating healthy foods, getting better sleep, and exercising more for the past 3 months. I hope all of us have an accomplishment to be excited about, whether it's more flexibility, lower blood pressure, or a more positive mental attitude when we awaken each morning. Our group lost a total of 82.3 pounds, we had three women each losing 10 pounds or more, and our "biggest loser" was Jan, who took off 13 pounds in 90 days. Jan has chosen to donate her winning funds to our Relay for Life team Sweet Charity to support the American Cancer Society. :)
- ◇ Our MWC Walking Clubs continue, and we welcome new members and new walking ideas! If you want to join us, please reach out to Sue Gaskill (Tuesday and Friday mornings) or Sherry Haines (evening walks) and they can add you to their text threads. We'd love to walk with you – the social interaction is as important as the physical benefits!
- ◇ April is National Stress Awareness month, which since 1992 has focused on raising awareness of the negative effects of stress on our physical and mental health. The links below are from the National Institutes of Health are from their website, which has a wealth of information on what constitutes stress and how to cope with it. We can't always eliminate the source of the stress, but hopefully we can give ourselves the tools we need to manage our stress before it gets to be too much to handle.

Thrift Store Update

We have completed the clean out of the Thrift Store & the main floor of the house. At our last visit on March 29th we started on the basement. Wow! We barely made a dent! The basement holds almost as many clothes as the store did! As of right now we are calling it. A little birdy told me Bobby plans to invite us back after he completes the renovation of the store to office space for his mother. **Thank you** to everyone who volunteered, including our family members who came to help! A special Thank you to everyone who has offered storage space. We bagged, boxed, stored, delivered & set up pick ups for hundreds of bags/boxes of clothes, shoes, books & more! I am working on the Project sheets for the different committees involved in this endeavor. We helped over a dozen organizations with the various donations!

Women's History

Juneteenth, officially **Juneteenth National Independence Day**, is a federal holiday in the United States. It is celebrated annually on June 19 to commemorate the ending of slavery in the United States.

The holiday's name is a portmanteau of the words "June" and "nineteenth", as it was on June 19, 1865 when Major General Gordon Granger ordered the final enforcement of the Emancipation Proclamation in Texas at the end of the American Civil War.^{[8][9]} In the Civil War period, slavery came to an end in various areas of the United States at different times. Many enslaved Southerners escaped, demanded wages, stopped work, or took up arms against the Confederacy of slave states. In January 1865, Congress finally proposed the Thirteenth Amendment to the United States Constitution for national abolition of slavery. By June 1865, almost all enslaved were freed by the victorious Union Army, or abolition laws in some of the remaining U.S. states. When the national abolition amendment was ratified in December, the remaining enslaved in Delaware and in Kentucky were freed.
