"There is no I in TEAM and that's what makes this club so wonderful."

Hi everyone!

BINGO!! March 30; ready or not! We are SOLD OUT again. Thank you! Check the back of your Bingo tickets for a list of donations to the Cherokee High School Food Pantry and the Wiley Food Pantry. Remember to check the expiration dates before making your donations. Attendees bringing donations get 3 free Bingo cards. As always, we will have lots of great raffle baskets. We will be selling tickets to the 50/50 raffle too. In the Spring, we also have a raffle for Dining Around Town which are gift cards to many local restaurants. Thank you to everyone who helps to make our Bingo events so successful.

Thank you to everyone who came to the library to help make No Sew Blankets on Sat., March 1. Many members never made them before this event. Lots of cutting, knotting, and getting to know each other chatting happened that day. As always, this busy group of women makes a difference. We made over 20 blankets that will be donated to Covenant House. Thank you Donna G. for donating all the blankets in loving memory of your mom, Terry Zito.

The clean out activities continue at the closed Thrift Store. If you can help, contact Sherry for possible dates and times. Donations of children's clothing have been made to Little Hands, Little Feet. Over 500 pairs of shoes have been recycled at DSW. Bags of jeans, Halloween costumes, dance shoes, dance costumes, 1st Communion dresses, and wedding gowns have been packed and are being donated to various facilities.

The Garden District Spring Conference and Achievement Day is Thursday, April 17 at Marco's in Pennsauken (see page 9). Entries for Achievement Day are due **by April 3** to Nancy or me. Check the categories because there is something for everyone!

Our annual Healthy Bodies Challenge ends on March 31. Remember to sign up to be part of our team, Sweet Charity, for Relay for Life on Friday, May 30.

Our next General Meeting is **Monday, March 24** at Gibson House. I hope to see you then!

Pat Flynn, coordinator for LHLF, sent our club

a lovely Thank You note.

Those members who volunteered to sort and distribute clothing at LHLF will be hearing shortly about a Spring start-up. More info coming soon.

Health and Wellness Awareness

Our 5th Annual **MWC Healthy Bodies Challenge** is nearing the end – our emphasis this year has been more on developing healthy habits to last a lifetime (sleep, exercise, emotional well-being) than specific weight loss techniques, although the two often go hand in hand. We are excited that our efforts to improve our own health will also lead to a generous donation to the charity of the Biggest Loser's choice. Here's hoping we all are feeling a little more rested, flexible, and healthy on 3/31 than we were on 1/1.

The **MWC Walking Clubs** continue, and hopefully will attract even more of us as the weather warms up. If you want to join us, please reach out to Sue Gaskill (Tuesday and Friday mornings) or Sherry Haines (evening walks) and they can add you to their text threads. We'd love to walk with you – the social interaction is as important as the physical benefits!

March is National Kidney Awareness month, a time to focus on the importance of kidney health and the risks associated with kidney disease. According to the National Kidney Foundation (NKF), one in three people are at risk for kidney disease, often without knowing it. To help individuals assess their risk, the NKF offers an [online quiz](#) that addresses factors such as diabetes, pre-existing conditions, and family history. This tool aims to help people manage their risk effectively.

Thrift Store

Club members have been diligently working to help clean out a Thrift Store loaded with children's clothing, accessories, toys and furniture. There also is an adjoining house which will need to be cleaned out—a lengthy process. A lot of the house contents will be sold at our Yard Sale and whatever doesn't sell can be sold to Bargain Thrift. MANY bags have been taken to our friends at Little Hands, Little Feet — we dropped off 20 bags of boys' clothing already! Sherry plans to stop by many evenings for a couple of hours each time. If you can spare a few hours to help bag and box stuff that would be wonderful; please contact Sherry. The store's address is **75 Jackson Rd., Berlin, NJ**. The owner lives next door to the location but Sherry has to make arrangements for them to unlock the building and meet us. Trash bags and boxes are greatly appreciated! We are also looking for places (garages, basements, dry sheds, etc.) to store the items. Little Hands, Little Feet can only process so much at a time. Garage sale items will also need to be stored. Please let Sherry know if you have space to store stuff. The current owner would like to clear out the Thrift Store and then the house. Thanks for any time and space that you can offer!

Are you REAL ID ready?

Secure driver's licenses and identification documents are a vital component of our national security framework. DHS/TSA is committed to enforcing the REAL ID Act, therefore, beginning **May 7, 2025**, anyone 18 years and older that plans to fly domestically or visit certain Federal facilities will need a REAL ID or another acceptable form of identification (i.e.: passport). Visit <https://www.dhs.gov/real-id> to find out if you're REAL ID ready using a helpful interactive tool.

Environment

January stood out as an anomalous month in temperature terms, becoming the hottest January ever recorded despite arrival of a cooling weather pattern, the EU-led Copernicus Climate Change Service confirmed. The recent development of La Niña conditions in the tropical Pacific had scientists believe global temperatures would slowly drop after the planet recorded its hottest year on record in 2024.

January's measurements are "surprising," as Samantha Burgess, Strategic Lead for Climate at the European Centre for Medium-Range Weather Forecasts, put it. Last month also marked the 18th month in the last nineteen months for which the global-average surface air temperature was higher than 1.5C above the pre-industrial level.

While recent developments do not signal a permanent breach of the critical limit, which scientists say is measured over decades, it sends a clear warning that we are approaching the point of no return much faster than expected. In fact, the United Nations estimates that current emissions reduction pledges put the planet on track for a temperature increase of 2.6-3.1C over the course of this century. Women's History Month

Since March is Women's History Month, I thought I would share how much of the information I get is found in news reports I get from a group called the National Women's History Alliance (NWHHA).

Each year they choose a new theme to guide them through the year with what new and important information to share. This 2025 theme is "Moving Forward Together! Women Educating and Inspiring Generations." This theme spotlights the contributions women have made to the American educational system and the marketplace of ideas in all fields. From classrooms to boardrooms and from national movements to global initiatives, women educators and leaders in diverse fields have played a pivotal role in nurturing minds and inspiring action.

The NWHHA hopes to raise awareness to recognize the achievements and contributions of all women no matter of diverse backgrounds, socioeconomic status, ethnicity, race, culture, abilities or personal experiences. They hope to celebrate the collective strength and influence of women who have dedicated their lives to education and leadership and through their efforts have served as an inspiration for all generations both past, present and hopefully future.

The NWHHA seeks to remember and recognize all the amazing women who have created such a memorable history for all women.

The young women of today, free to study, to speak, to write, to choose their occupation, should remember that every inch of this freedom was bought for them at a great price. It is for them to show their gratitude by helping onward the reforms of their own times, by spreading the light of freedom and of truth still wider. The debt that each generation owes to the past it must pay to the future"

Domestic Violence Awareness and Prevention

Many Thanks to our wonderful No- Sew Tie Blanket makers who helped to craft 22 cozy and colorful blankets on Sat. March 1st at the Evesham Library. It was a fun afternoon for the 17 MWC members (including Toni's lovely granddaughter, Simone) as we chatted and snacked while creating these blankets which will provide comfort and warmth for the residents of Covenant House in Atlantic City. Covenant House is a safe- haven for homeless teens and youths at risk for Human Trafficking. Jen Williams, Community Outreach Coordinator, has stated that these blankets are always greatly appreciated by the teens and they are grateful for our hand-crafted effort.

Thank you also for your generous continual donations of new and gently used bras and feminine care products. A total of 102 bras and 10 packs of various period products was delivered to I Support the Girls Affiliate Director, Dawn Stillwell. This

organization collects bras and menstrual products to donate to homeless shelters for women in need. We are planning to have Ms. Stillwell as a speaker at a general meeting in the fall so that we can learn more about I Support the Girls and its mission. Thank you for your ongoing support!
