Garden District

FROM THE PRESIDENT'S PEN

"There is no I in TEAM and that's what makes this club so wonderful."

Hi everyone!

BINGO tickets are sold out!! **Bingo is Sunday, April 16** from 12 noon to 4 PM. Remember to bring your baskets, donations, daubers, and cash to buy raffle tickets. Good luck to everyone!

The **Garden District Civic Engagement and Outreach Day** on March 28 was a huge success. Thanks to June Adair for planning this event. A HUGE THANK YOU to all our club members who helped. As always, we had lots of women who worked hard that day. Thanks to all who provided the wonderful desserts. The Evesham Police Department provided dusk to dawn light bulbs and June Adair can request more if you would like some. All our guest speakers were very informative. Thanks to Donna Gatti and June for scheduling those speakers.

For those who missed the blanket making event at Jan's house, we still have blanket kits to make. Contact me if you would like one. We made 22 blankets that afternoon! They will be presented to Jen Williams during our April meeting when Jen tells us more about Covenant House.

Do you know any civic minded Cherokee High School or BCIT senior women who plan to continue their education? If so, please point them to our website to apply for the **Joanne Lotierzo Memorial Scholarship**. This year we have digitized the application. We've also created a unique email address ContactUs@marltonwomansclub.com which can be used by anyone to contact the club with questions etc. We will be using that address for the young women to submit their applications. As of the end of March, two applications have already been received (see page 9).

Looking ahead we have the **Garden District Achievement Day** on April 13 at Pennsauken Country Club. That should be a fun day for all. I'm looking forward to seeing all the entries and networking with other club members.

Our **Book Club** meets on April 25. The **NJSFWC Convention** in Atlantic City is May 1-3. May 5 will be spent planting tree saplings with 3rd graders from Van Zant followed by a club lunch at On the Border. Our Installation Dinner will be June 5 (see page 5). Remember, you can find our updated calendar on our website <https://marltonwomansclub.com/calendar> at any time.

Our next General Meeting is April 24. I hope to see everyone there.

NJSFWC NEWS (April 4, 2023)

Congratulations to Civic Engagement and Outreach Chairman Ann Ribinsky Brown and the District CEO Chairwomen for wonderfully executed CEO Days last week.

These six Districts had excellent speakers from their community. Members gained important information about the organizations, and learned about organizations they can partner with and support. Those organizations learned about the clubs in their community and who to call when they have a need. It's a win win for clubs and the community.

Next year there will be a State CEO Day where we can all come together. Save the date of March 7, 2024 at the Battleground Country Club.

District Chairman included:

1. Lin Hrycenko (College)
2. **June Adair (Garden)**
3. Elaine Hosfield (Highlands)
4. Jane Mackesy (Liberty)
5. Susan Fosdick (Palisades)
6. Laurie Cacavo (Shore)

Environment

April is *Keep America Beautiful Month*. Keep America Beautiful formed in 1953 when a group of corporate and civic leaders met in New York City to bring the public and private sectors together to develop and promote the idea of national cleanliness and litter prevention. Our club is looking to collaborate with the Cherokee High School Environmental Club to do a township clean-up project.

Earth Day is an annual event on April 22 to demonstrate support for environmental protection. First held on April 22, 1970, it now includes a wide range of events coordinated globally by EARTHDAY.ORG including 1 billion people in more than 193 countries. The official theme for 2023 is *Invest In Our Planet*. **Arbor Day (April 28, 2023)** is a secular day of observance in which individuals and groups are encouraged to plant trees. Today, many countries observe such a holiday. Though usually observed in the spring, the date varies, depending on climate and suitable planting season. Marlton Woman's Club members will be picking up trees from the NJ Forest Service Nursery in Jackson and distributing them to 3rd Grade students at Van Zant School on May 5th!

Health and Wellness

The results of the 2023 Marlton Woman's Club Weight Loss Challenge are in! And the winner is (drumroll please) **Sue Staton!** The group as a whole lost 54 pounds, so \$54 will be donated to Feeding America (www.feedingamerica.org OR, to go directly to their donation page, https://give.feedingamerica.org/a/donate?_ga=2.139838579.1786830880.1680985565-493789013.1680985565)

Congratulations, Sue, and many thanks to all of my partners in crime who may or may not have lost weight, but who all did their best to make their diet a little healthier and to increase their movement and healthy activities for the past three months. I can't wait to keep up the healthy habits, and to try to lose again next winter!

Our Walking Groups are going strong – we welcome all MWC members to join us on Tuesday and Friday mornings at different locations (ask Sue G to be added to the text list so you can find out exactly where), Wednesday or sometimes other evenings (ask Michele Fleming-Waters to be added to her text list), or Sunday mornings at Laurel Acres (Sue G. will continue to send weekly emails to all club members). We enjoy exercising while strengthening our MWC friendships!

Finally, please check out the attached flyer on Page 10 for the new Evesham Wellness Festival, to be held at the Promenade on May 6th. Cool stuff!

Caught Making a Difference

Andrea Hearing was honored at the March meeting and has been “caught making a difference.” Andrea has done a phenomenal job as our Membership Chairwoman, and created a package of information to be given to visitors considering joining our club. She also has created a Welcome package to be given to new members. She was a key contributor to our new logo. She has taken charge of obtaining new shirts and sweatshirts for anyone who wants one. She has established our Google Drive and can create a unique email address for those who want one.

As president Linda says, and we agree, “I don't know what I would do without her.”

Arts Performing

Sixteen members are signed up to enjoy Cherokee High School's Spring Musical “Addams Family” on Friday, May 19. They will be enjoying dinner together prior to the show and will look forward to telling you their reviews at the May general meeting.

Domestic Violence Awareness

Many Thanks to Jan and Lance Martin for graciously hosting our club's blanket making event on March 25. It was a fun and very productive afternoon as 16 members gathered to craft 23 no-sew tie blankets to be presented to Jen Williams, The Covenant House Community Coordinator, who will be a guest speaker at our April general meeting. This was a great social get-together as well as an opportunity to contribute these much-needed blankets for the homeless teens taking refuge in the Atlantic City facility. Thank you to all our members for the great teamwork and very generously purchasing the blanket kits.

A carload of requested items was recently delivered to Providence House Domestic Violence Safe House and Services. These items included bath towels and washcloths, twin sheet sets, several small kitchen appliances, a large bag of cosmetic items and craft materials to be used by the children's PALS program. Thank you to all our wonderful members who continue to donate these continuously needed items throughout the year. We are waiting to hear from Barb Katz, the community outreach coordinator, about how our club can assist with the anticipated move into the newly expanded and renovated safe house.

Legislation / Resolutions

Coming soon, May is Mental Health Awareness Month. Mental Health America (MHA) is a group dedicated to raising funds to support mental health awareness issues. According to their website, nearly half of all Americans will face a mental health issue at some point in our lives. Visit <https://mhanational.org/>.

Please help me urge our congressional representative and senators to support funding for prevention and early intervention in the Mental Health Block Grant, youth-focused initiatives at the CDC, peer support coverage in Medicare, and 988 operations and education in fiscal year 2024. I did this – it took less than a minute, and it is easy to uncheck (or leave checked) the box saying you want emails from this group. The link is below (this is NOT a GFWC link):
