FROM THE PRESIDENT'S PEN

"There is no I in TEAM and that's what makes this club so wonderful."

Hi everyone!

Happy New Year!! I hope everyone enjoyed the Holiday Dinner. Thank you for your generous donations to our adopted families. It seems like so much time has passed since we all were together. Since our last General Meeting in November, we celebrated Thanksgiving, attended the Dickens Festival in the rain, enjoyed the play "Elf" at Cherokee, celebrated the December holidays, and welcomed in 2023. Our next General Meeting is Monday, January 23.

Our annual Weight Loss Challenge kicked off again and will run until March 31. Please let Sue Gaskill know if you would like to join the "losers." The member who loses the most picks the charitable organization to receive a dollar for every pound lost by all during this event (pg. 6).

Committee Chairwomen are busy consolidating their 2022 annual reports and narratives. They are due to me **by Jan. 15** and must be postmarked by Feb. 1.

Monday, Jan. 16 was the National Day of Service. We joined other women in NJSFWC by creating food donation meal kits and delivering them to Pitman (page 4).

June and Mindi are leading the Spelling Bee efforts. Our local spelling bee will be January 19 at Van Zant School (see page 9). We are in need of volunteers that evening. The Garden District Spelling Bee will be Sunday, February 26. Again we will need volunteers for that event. It's an exciting time watching the children as they correctly spell some very challenging words. Please consider helping us during these events.

On a personal note, I had total knee replacement on Dec. 14. It's a long road to recovery but so many of our members have made it tolerable for me. Between cards, Uber Eats, DoorDash, trips to PT, picking up curbside orders, taking my trash cans to the street, and numerous visits, you have all kept me moving forward. A huge, heartfelt thank you to all!!

First Vice President

Hello ladies! Just a few reminders:

- ♦ If you would like a MWC email address (name@marltonwomansclub.com), please let me know. Many of us find it helps to keep our MWC email separate. Email me anytime at andrea@marltonwomansclub.com.
- ♦ Our position of 2nd VP remains open. The Second Vice President would step in for the First Vice President in her absence or at her request, and serves as the coordinator for club committees. Help is available. Are you interested? We're here to help. Please contact myself or Linda Magee.
- ♦ Revised bylaws will be presented in January with some housekeeping corrections.
- ♦ Please remember you may sign up at any time for any committee. Please contact me to join or be removed from a committee.

Second Vice President

THANK YOU to committee chairwomen for completing your annual NJSFWC reports and narratives by January 15! Reports will be reviewed, copied and mailed by February 1. These reports reflect the dollars from our treasury, in-kind dollars donated by members and others, and time spent by club members for anything related to the event or activity. They are an important history. To help with this process for next year, committee chairwomen are asked to please complete our tracking sheet after every event. Trying to remember what happened months ago is nearly impossible! For this reason, Andrea and Linda will work to collect a completed tracking sheet after every event. Chairs can provide either an electronic file or a paper document. We will scan the paper document and store the forms in our Google Workspace in the Committee folder. Then we will have them to easily reference next year when we complete our reports. Please see [Linda Magee](#) if you don't have the versions of the forms, or if you have questions or suggestions for improvement. Thank you!

Our Marlton Woman's Club mailbox was overflowing with Holiday and New Year Greetings from grateful friends at various organizations and charities that we diligently support throughout the year. The MWC received a very special gift of \$500 from the PSEG Foundation – Power of Giving Program. This was awarded in honor of their employee, Arleen Prusienski, recognizing her tireless hours of volunteer work in the community. Arleen has very graciously once again directed this award to the MWC to assist in our efforts to help those in need. A million thanks to Arleen for this wonderful gift! We are so grateful that she remains a great friend and supporter of our MWC.

Special State Project 2022-2024: The Emmanuel Cancer Foundation

Thank you to those who helped with the ECF children's holiday party on December 10 doing crafts with the kids. So fun!

In February 2023, look for information for a yoga-wine-chocolate fundraiser and a 5K walk/run on Saturday, April 1 at Riverwinds.

ECF may also be looking for volunteers for their annual ECF golf outing in the spring — stay tuned.

MLK Day of Service

Due to the federal holiday Monday, January 16 for Martin Luther King Day of Service, the January Board Meeting has been rescheduled from Monday, January 16 to **Tuesday, January 17**. The Board will be meeting at Marco's at 5:30 p.m. if you'll be having dinner, and at 6:30 p.m. for the meeting.

The **NJSFWC Day of Service** was also held on January 16, and our club donated supplies to make five (5) College Meal Kits at the state-wide NJSFWC event in Pitman. Thank you to June Adair for offering to purchase the supplies and for arranging with Sandy Butler to deliver these supplies on Monday.

Environment

It's a New Year and while I am not big on making Resolutions, I do think it's a great time to think about how I can help out my friends, my town and our environment by learning how we can live more sustainably. So this year I am going to be letting you know some more ways we can do that. One of the ways my family has cut down on buying water in plastic bottles, has been to use a Brita Water Jug and Filters and I'm proud to say that all my kids now use them in their homes. I have been the one to collect our filters for some time now and have quite a collection. So I finally went on their website and signed on to get free pre-paid labels to ship them off to be recycled. I would like to invite the Marlton Woman's Club to be a part of this with us, so if you have used Brita Filters bring them to me at our meetings and I will do the rest.

If you do not currently use a Brita Filter Jug, I encourage you to buy one, together with a re-usable water bottle and join the movement to eliminate plastic bottles from our world.

Health and Wellness

Happy, Healthy New Year to all! MWC's **Walking Club** continues – we'd love you to join us on Tuesday, Friday, and Sunday mornings and on Wednesday evenings. Please contact Sue Gaskill by email Gaskill_susan@yahoo.com or by phone 856-979-8595 to be added to the text threads for all walks except Wednesday, so we can alert you as to where we will meet and so we don't start without you.

There's still time to join the 3rd annual **MWC Weight Loss Challenge!** So far we have 13 participants, all eager to raise as much money for the charity of our choice as we can, and to improve our health at the same time! Please reach out to Sue Gaskill to be added to the list. The challenge runs from 1/1 through 3/31, and the person who loses the most weight in those 3 months chooses a charity that will receive \$1 for every pound lost by the group. It's a Lose/Win/Win situation!

Among the many important observances in January, I'd like to draw your attention to **National Cervical Health Awareness Month**. Over 13,000 women suffer from cervical cancer each year, and 4200 die. However, this illness is easily preventable and easily detectable. Make sure you and all of the women in your life have received the HPV vaccine and get regular Pap smears.

A reminder that MWC continues to collect **used eyeglasses** for donation to the Lions Club.

Legislative and Resolutions

This month, I clicked one button and sent a letter to Senators Booker and Menendez and Representative Kim asking them to support the UN Foundation's Shot@Life campaign - the largest grassroots movement dedicated to supporting the global vaccination programs of UNICEF, the World Health Organization, and Gavi, the Vaccine Alliance, as well as the bilateral immunization efforts of USAID and CDC. The letter asks our congressmen and women to fund various vaccination efforts globally, in order to continue to keep millions of children healthy and strong. Domestic Violence Awareness

Many thanks to Barbara Katz, **Providence House** Community Outreach Coordinator, who was our guest speaker at the November meeting. Barbara gave an amazing overview of the services that Catholic Charities provides for victims and families that are affected by domestic violence. She explained the many problems and challenges that are faced by the victims and the facility to keep them safe and give them the ability to transition to a violence free life.

We were also given updates concerning the renovations to the Safe House and plans for expanding the space for additional services. Many members asked if there is opportunity for more hands-on volunteer activities. Barbara welcomed that idea with enthusiasm!

In December, four (4) Marlton Woman's Club members happily assisted in organization and set up of the residents' Holiday Shop at their administration building. We look forward to many future projects!

Covenant House in Atlantic City, a refuge for homeless teens and youth at-risk for human trafficking, has been updating our club. As in the past, we are planning to have a "no-sew" blanket

making event. Covenant House residents greatly appreciated these comfy items to keep their beds warm while they reside in the facility. Stay tuned for details!
