BINGO Tickets are in!! Bingo is **Sunday, April 16** — contact Sandy Meltz if you need tickets (see pg. 4). We need gift cards for the Dining Around Town raffle. Forms are on our website to give to local restaurants explaining who we are. Remember to let Genni Fardella know if you have gift cards or raffle baskets. It's a fun time for all with lots of great prizes.

March is Women's History Month. Check out the Evesham Library's display case that our Women's History Committee has decorated. The display will be there just until March 31 (see pg. 9).

On March 28, we are hosting the Garden District Civic Engagement and Outreach Day with the help of the Porch Club of Riverton and the Women's Club of Medford. We are providing desserts. It will be a fun, informative event with three guest speakers, starting at 12:30 pm at the Gibson House (see pg. 3).

Can you use scissors? If so, come join us at Jan Martin's house on Saturday, March 25 from 1-4 pm. We will be making no-sew blankets for Covenant House. If you can't attend but want to make a blanket, please let [Donna Gatti](#) know and bring it with you to the March General Meeting. We will present the blankets to Jen Williams during the April meeting when she will be our guest speaker.

What are your hobbies? Can you submit an entry as part of the Garden District Achievement Day on April 13? See page 5 for the categories in the **Arts & Culture Achievement Day** and [turn your form in to Mindi by March 21](#). Environment

According to scientists, feedback loops make climate action even more urgent. Researchers have identified 26 global warming accelerators known as amplifying feedback loops that the researchers say aren't being properly included in climate models. They note that the findings add urgency to the need to respond to the climate crisis and provide a roadmap for policymakers aiming to avert the most severe consequences of a warming planet. How to make hydrogen straight from seawater -- no desalination required Researchers have developed a cheaper and more energy-efficient way to make hydrogen directly from seawater, in a critical step towards a truly viable green hydrogen industry. The new method splits the seawater directly into hydrogen and oxygen - skipping the need for desalination and its associated cost, energy consumption and carbon emissions. NJSFWC Garden District Achievement Day

Thursday, April 13, 2023

Pennsauken Country Club

Achievement Day is a day to encourage club members to show off their talents to others who will appreciate their efforts and enjoy seeing what others can do. Members are encouraged to enter their favorite or best efforts with crafts and cooking to share the knowledge and enjoyment with their friends. Categories in the **Arts & Culture Achievement Day** include: handmade items of jewelry, needlecraft (knitting, crochet, sewing, paper crafts (scrapbooks, cards, flowers, etc.), holiday decorations, birdhouses, painting and drawing, and photography.

For anyone interested in these activities, your other club members (local and statewide) would enjoy seeing what you have done. There are three levels: Beginners, Advanced (previous winners) and Professional (if you sell items), so you will only compete at your level of experience. Items must have been created in the calendar year 2022.

Environment Achievement Day is divided into two divisions: Artistic Design and Horticulture. All entries must be pre-registered with the District Environment Chairman, **two weeks** prior to the District Achievement Day (i.e.: by March 30). To register, contact District Environment Chairman wisner@njsfwc.org to determine the pre-registration deadline for your district. All entries must be the work of the clubwoman.

- **Find the Entry Forms and complete directions on our Marlton Woman's Club [website](#) or www.njsfwc.org (Arts and Culture tab) as well as our club Google Drive. Forms are due to Mindi Carleton BY MARCH 21 (scan and email to her if you can).**
- Only ONE entry per clubwoman in each category/subcategory. Entry must be completed within the past year.

- Entry may not have been entered in a previous Federation contest.
- FREE to enter— this is primarily for enjoyment and a chance to meet other members with similar talents and interests. Bragging rights are also included!
- Want to ATTEND Achievement Day on April 13? Please check with Mindi Carleton.

GOOD LUCK!

Health and Wellness

April is Stress Awareness Month. Stress can be debilitating, and can cause and/or aggravate health problems. And since stress is a normal part of human existence — nobody is immune — it's important to arm ourselves with strategies for coping before it gets too...well...stressful! Here are a few:

- ◆ **Practice meditation** – One of the most effective ways to deal with stress is to learn how to silence the mind. Meditation is one of the most popular methods of achieving this quiet.
- ◆ **Exercise** – Whether you're a walker, a cyclist, or a gym rat, be sure to add some fresh air and exercise into your daily routine – it's a surefire stress blaster!
- ◆ **Talk to a friend** – find a friend or family member who will listen when you need to talk, and will know that you'll return the favor when they need it. Venting cannot be overrated!
- ◆ **Visit your doctor** – they're in a great position to evaluate your stress and stress responses as a part of your health picture as a whole, and can provide care and advice that's specifically targeted to your needs

Our Walking Groups are going strong – we welcome all members to join us on Tuesday and Friday mornings at different locations (ask Sue G. to be added to the text list so you can find out exactly where), Wednesday or sometimes other evenings (ask Michelle Fleming-Waters to be added to her text list), or Sunday Mornings at Laurel Acres (Sue G. will continue to send weekly emails to all club members). We enjoy exercising while strengthening our MWC friendships!

Our 3rd annual MWC Weight Loss Challenge ends on March 31; participants must weigh in one last time and let Sue Gaskill know how much you've lost. The biggest loser gets to choose the charity that will receive this year's donation! Finally, please check out the attached flyer for the new Evesham Wellness Festival, to be held at the Promenade on May 6th.

DID YOU KNOW ... In 1987, after being petitioned by the National Women's History Project, Congress passed legislation designating the month of March as Women's History Month. The celebration grew from a week-long observance authorized by Congress in 1981 and since 1995, U.S. presidents have issued annual Women's History Month proclamations.

Domestic Violence Awareness

Grab your (sharp) scissors and join us for a fun “No-Sew” tie blanket making get-together on **Saturday, March 25th from 1-4 pm** at the Marlton home of our gracious host, Jan Martin (129 Preamble Drive). Light snacks will be provided, but please bring your own beverage. The residents of Covenant House Atlantic City will be the recipients of our blanket-making efforts. This awesome facility is a safe-haven for homeless teens and youth at risk for human trafficking. There is a constant need in the shelter for these blankets. Jen Williams, the Covenant House Community Outreach Coordinator will be the guest speaker at our April meeting and it will be terrific to be able to give her our finished project. Good news—we have a big supply of blanket kits so you don’t need to buy one! All members are welcome! Hope to see you there!

Barbara Katz, the Community Volunteer Coordinator for Providence House Domestic Violence Services, has given us an update on the progress of the Safe House expansion. The renovations are scheduled to be completed in late spring/early summer and Barbara has promised to include our club in the many projects and hand-on-tasks that are involved in getting the facility up and running. Stay tuned for more info!
