FROM THE PRESIDENT'S PEN

"There is no I in TEAM and that's what makes this club so wonderful."

Hi everyone! Boy, talk about time flying. I feel like I can't keep up this month.

Our Fall Bingo is **Sunday, October 15** at Marco's in Marlton (Indian Spring Country Club). Check the back of your tickets for the list of donations to Covenant House and Providence House, and wear your pink shirts. It's going to be a fun afternoon with gorgeous raffle baskets, a Lottery Ticket raffle, 50/50 raffle plus the usual games of Bingo. I hope you're looking forward to it as much as I am.

Who is ready to go shopping and use their Boscov's *Friends Helping Friends* coupons on Wednesday, Oct. 18? Thanks to everyone who bought a coupon. The money collected will be donated to Emmanuel Cancer Foundation, our Special State Project (see page 4).

Trunk or Treat is **Friday, October 20**. We will be collecting candy, wrapped cookies, and snacks until that evening. We will again dress as Wonder Woman. Come visit our trunk and bring your ghosts and goblins too (see page 5)

Our October General Meeting on **Monday, Oct. 23** will be a different format since it is our Open House. We will have a short business meeting followed by a Committee Fair. Visit each committee's table and learn more about that area. Invite your friends and family if they are interested in joining the club. Refreshments will be provided by our Board Members. This is a great time to brag about all the great work we do! Don't forget to bring your filled holiday stockings to the October meeting too.

Since Evesham Harvest Fest was canceled, we are selling candy bars at other events for \$2.00. See Meryl if interested. All proceeds will go to Veterans Haven South.

The Holiday Dinner Committee met on Monday, Oct. 9 and lots of fun activities are planned. The 60th Anniversary Committee also met and brainstormed a lot of great ideas. Please be sure to block **Sunday, April 21, 2024** for this celebration.

I hope to see everyone at our October meeting and Open House. Bring a friend or two!

Honoring our Veterans: Veterans Day is November 11

Veterans Day (originally known as **Armistice Day**) is observed annually on November 11, for honoring military veterans of the United States armed forces. It coincides with other holidays including [Armistice Day](#) and [Remembrance Day](#) which are commemorated in other countries that mark the anniversary of the end of World War I. Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 when the Armistice with Germany went into effect. At the urging of major U.S. veteran organizations, Armistice Day was renamed Veterans Day in 1954. **Veterans Day** commemorates the service of all U.S. veterans.

Health and Wellness Awareness

Fall is perfect walking weather – we welcome all MWC members to join us on Tuesday and Friday mornings at different locations (ask Sue G. to be added to the text list so you can find out exactly where), Wednesday or sometimes other evenings (ask Michele Fleming-Waters to be added to her text list), or occasional Sunday mornings at Laurel Acres (Sue G. will continue to send weekly emails to all club members). We enjoy exercising while strengthening our MWC friendships!

October is Breast Cancer Awareness Month. We all have been impacted by breast cancer, whether we are survivors or relatives and friends of those who have had this disease. According to the National Breast Cancer Foundation, more than 700 women in the United States are diagnosed with breast cancer *every day*. MWC does a wonderful job raising money for the American Cancer Society through Relay for Life and raising awareness through distribution of mammogram reminder postcards each year at the Harvest Festival. But here are a few reminders of what each of us can do to try to keep ourselves and our loved ones healthy:

- Do monthly self-examinations in the shower – YOU are your first best line of defense.
- Get your mammogram each year. The annual smash-n-squeeze, while uncomfortable, is a wonderful diagnostic tool that saves lives.
- Wear pink to promote awareness – someone will see your shirt or your ribbon and will make an appointment.
- As always, eat healthy foods and continue to exercise – taking care of our bodies really does help!

Here is a link with concrete, meaningful ways to help fight breast cancer (and all cancers):

Environment

Litter is a problem. Not only does it ruin the beauty of where we live, but it also has serious implications for the health of our planet and its inhabitants. Let's look at four problems that litter creates:

- **Environmental Damage:** Litter can cause environmental damage in a variety of ways. It can pollute our waterways, harm wildlife, and damage ecosystems. When litter is not properly disposed of, it can end up in our streams, rivers and oceans, posing a serious threat to aquatic life. In addition, litter can be harmful to wildlife that may mistake it for food or become entangled in it. Litter can also damage ecosystems by disrupting natural habitats and in some cases introducing invasive plant species.
- **Health Risks:** Litter can pose significant health risks to humans and animals alike. Discarded items such as needles or broken glass can cause injuries to humans and pets. In addition, litter can attract vermin, bugs and other pests that can spread disease. Sometimes litter can contain hazardous materials or chemicals which can cause the contamination of our groundwater.

- **Economic Impact:** Litter can also have a significant economic impact. The cost of cleaning up litter can be substantial, with taxpayers often footing the bill. In addition, litter can discourage tourism and economic development, as it creates an unattractive and unwelcoming environment.
- **Aesthetic Value:** Finally, litter can take away from the aesthetic value of our communities. Discarded items such as plastic bags or bottles can be unsightly and create an unappealing environment. This can impact the quality of life for residents and decrease property values.

It's clear that litter is a problem that affects us all. The impacts of litter are significant, and it is crucial that we take action to address this issue. By properly disposing of our waste and recycling whenever possible, we can help to reduce litter and protect our planet for future generations. More information on this topic will be available in a handout at our October meeting.

Mary Beth, familiar to many in the club, will present an overview of her organization which mentors teen girls, builds self-esteem and teaches leadership. Learn more about them at www.girltalkmarlton.org. We are looking into one more speaker for the spring, possibly someone from our list of lesser known charities to familiarize members with the organizations to which we donate.

October Open House; Displays

Our Open House will be during our General Meeting on **October 23rd**. President Linda has asked each committee chair to create a poster explaining their committee. The Open House will be similar to a job fair. Our guests will walk around and talk to members about the different committees. This is a time to brag about all the great work your committee does. Board members will share their responsibilities. You can make your poster as big and elaborate as you wish or as small and simple as you want. Do you need pictures? Please let Andrea Hearing, Barb Devine, or Linda Magee know and they can download them from our Google Drive if you don't have access.

The agenda for the meeting will be the standard executive reporting and then, when chairwomen normally would speak about their area, we will visit the different stations. The room will be set up differently just for this meeting. If you have ideas or questions, please let Linda Magee know.

Caught Making a Difference:

At the September General Meeting, new member **Sherry Haines** was "caught making a difference."

Even though Sherry works fulltime, her employer allows her to participate in service related projects. We are very fortunate because this means she can help during the day. Since joining the club, Sherry has helped load books for BookSmiles, the yard sale, Bargain Thrift pick up, and selling Boscov's coupons. She is a natural salesperson! Sherry has jumped right in and gotten involved which we truly appreciate. She is making baskets for Fall Bingo too! We are so happy Sherry has joined the club.

Women's History

This month I'd like to tell you about **Mary McLeod Bethune**. If you are part of the club's book club, you

probably recognize her name because she is mentioned throughout our current book, "First Ladies." She was a prominent civil rights leader and activist, educator, advisor to four presidents, founder of what is now called Bethune-Cookman University and founder of the

National Council of Negro Women. The first statue of a Black woman or any woman in the nation's Capital, the Mary McLeod Bethune Memorial, features three bronze figures standing on a tiered platform which has a 17-foot statue of her holding a cane that represents one belonging to President Franklin D. Roosevelt which was given to her by her very good friend Eleanor Roosevelt. Her other hand holds a scroll representing her will and a young boy and girl reaching for it. This statue was dedicated on July 10, 1974 which would have been her 99th birthday.

Another statue of Bethune was installed in the U.S. Capital's Statuary Hall in 2022. It was commissioned by the state of Florida, where she lived, to replace a statue of a Confederate General. She died in 1955 at the age of 80. - Sandy Ellis

Arts Performing

The Cherokee High School fall musical production is "Annie." We hope to organize another club outing to the event. The dates are **December 1, 2, 8 and 9** at 7 p.m. Tickets are \$15 plus a small fee for online purchase. There will be a sign-up sheet at the meeting.

Arbor Terrace Marlton has been contacted to see if we can set up a holiday sing along for their assisted living and memory care residents.

Domestic Violence Awareness

The facilities benefiting from the donations collected from our October Bingo event are Providence House Domestic Violence Shelter Services of Burlington County and Covenant House Atlantic City serving Homeless, At- Risk Teens in South Jersey. Every year we are blown away by our wonderful Bingo guests who generously donate items from these organizations' specific wish lists which included much needed food, personal care items, household products, T-shirts/shorts, Winter hats and gloves and gift cards. These facilities are long-time friends of our club and they are always truly amazed and sincerely appreciative of our continued support.

Covenant House Atlantic City is holding their annual Sleep Out Night event on **Friday, November 10th** to be held at the facility to raise awareness to the plight of the homeless teen and those who are at risk for human trafficking and the many challenges they face to find safe refuge and services.

Members of the community come together to experience one night NOT sleeping in the comfort of their own beds in solidarity with teens who must endure such uncertainty in their daily lives.
