FROM THE PRESIDENT'S PEN

"There is no I in TEAM and that's what makes this club so wonderful."

Who is ready to play BINGO? We are! Our Fall Bingo is on **Sunday, Oct. 20** and again, we are SOLD OUT. Remember to wear your pink shirts and bring your raffle baskets and donations for Providence House and Covenant House (see page 3). Thank you to Nancy for holding 2 basket making sessions on October 1. It was a lot of fun.

Are you Wonder Woman? We need all our Wonder Woman members and others to help distribute candy and snacks at Trunk or Treat on **Friday, October 18** at Savich Field. It's always so fun to see all the kids in their Halloween costumes. And to see how many of them return to our table for second, third, etc. helpings! If you can't attend, please let Sandy M. or Linda know if you want to donate candy or snack bags. We will gladly bring them that night. Rain date is Saturday, October 19.

Speaking of rain, thank you to everyone who helped with Harvest Fest on Sept. 28. The crowd was light due to the weather so we will be selling Hershey bars at Bingo and the next few General Meetings. See Sandy M. if you want to buy some. All proceeds support Veterans Haven South.

Don't forget the sale date for Boscov's Friends Helping Friends is **October 22**. If you don't have a coupon, see Sandy M. on the 2nd floor of the Moorestown store that day. Coupons are \$5 and we will donate all the money to NJ Alliance for Children, the new NJSFWC Special State Project.

Thank you to everyone who brought holiday stockings to the September meeting. If you still have your stocking or items for a stocking, please contact June Adair. She will be dropping off the stockings at NJSFWC Headquarters after our October General Meeting (see page 5).

Our October General Meeting is our Open House. We passed out a lot of reminder postcards at Harvest Fest and hope to see some prospective members that night. Committee chairs will be describing what their committee does and it's a fun evening!

Looking ahead, there are Report Writing seminars for Committee Chairs, Book Club, and various Committee Meetings including the Holiday Party Planning committee. Check the calendar on our website and come join us.

Health and Wellness Awareness

Calling all MWC members – we have a new opportunity to help a great cause this year. The GFWC has highlighted a few clubs nationally who have fielded teams in the **Walk to End Alzheimer's**. Now our club is joining them. Save the date and join our team – we will be walking at Citizens Bank Park in Philadelphia on **Saturday, November 9th**. This is a very cool chance to actually walk on the field where the Phillies play, and even more importantly, to raise more money than ever for the Alzheimer's Association, an organization that provides funds for research toward a cure as well as funds to support patients, caregivers, and loved ones of those suffering from Alzheimer's and other forms of dementia. The link below will allow you to join our team and to donate to the team. Through the website, you can create your own personal participant page, send emails to friends and family asking for donations, link your donation page to social media, and more! And, if you don't want to/can't attend the walk yourself, please join our team and do some of MWC's amazing trademark fundraising!

[GFWC Marlton Woman's Club's Walk to End Alzheimer's Team Page](#)

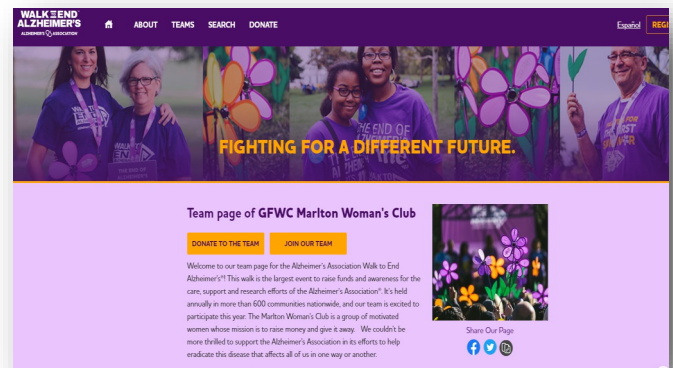

(Right click on the link and select "open hyperlink" to go to our page and join or donate; also see email from Sue Gaskill)

The MWC Walking Club continues to invite anyone who's interested to come out on Tuesdays, Wednesdays, Fridays, Sundays, and any other day we can get a group together. There is someone (or a group) walking almost every day of the week! Feel free to reach out to Sue Gaskill (Gaskill_susan@yahoo.com or 856-979-8595) if you want to get on the text list for any of the days. If it's not a day I walk, I'll put you in touch with the right person.

October is Breast Cancer Awareness Month. Ladies – be sure to get your regular mammograms, do self-exams, and pay attention to what your body is telling you. The life you save may be your own.

***Celebrating the Marlton Woman's Club
1964–2024***

Environment

America Recycles Day is the only nationally-recognized day dedicated to promoting and celebrating recycling in the United States. Held on and around **November 15**, America Recycles Day (ARD) educates and encourages individuals to be more mindful of what they consume, where and how to properly recycle, and to pledge to recycle more and recycle right in their everyday lives.

This highlights actions we can all take to address the challenges facing our nation's recycling system. Through ARD, Keep America Beautiful and its partners inspire communities and individuals to recognize the economic, environmental, and social benefits of recycling. [Keep America Beautiful](#) urges people to reduce, reuse, repurpose and recycle in every aspect of their life.

- Recycle at home, work, school, on the go
- Buy products made with recycled content
- Educate and encourage friends, family, and neighbors to do the same

Also known as National Recycling Day, the first America Recycles Day was officially held on November 15, 1994, and had over 40 states taking part.

WHY IS RECYCLING IMPORTANT?

Recycling is important to ensuring our planet remains healthy. There are many great reasons and benefits to recycling which include:

- Reduce landfill waste
- Conserve natural resources such as oceans and forests
- Help lessen the burning of fossil fuels which can decrease the emission of greenhouse gas

REDUCE WASTE

It all starts with having less things. Before you shop, think about whether you really need that item. If you do need the item, then you can determine if it is a "green" product. Is it eco-friendly, has it passed standards for energy savings and is it something that is built to last?

Everyone can make a difference in their community. Recycling is an active step we can all take to clean, green, and beautify our lives. Let's take the step together! Join the movement!

Domestic Violence Awareness and Prevention

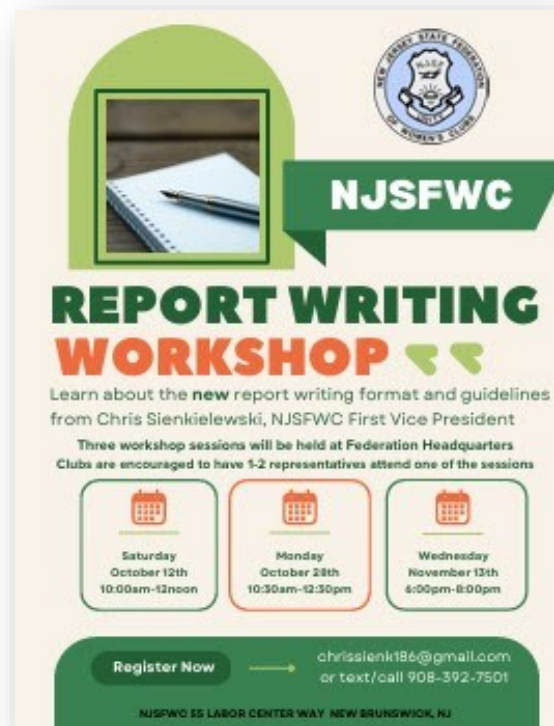

October is Domestic Violence Awareness Month! New Jersey continues to lead in legislative efforts to protect victims and prevent further violence which often has devastating outcomes. Presently, Lisa's Law, named for Lisa Zindell, is working its way thru the N.J. legislative process. In 2009, Lisa was murdered by her ex-fiance a day after he was released from jail for violating a restraining order. This new law would require offenders to be electronically monitored and the program would notify victims if their assailants came within a certain proximity. If victims are aware of impending danger, every second counts when attempting to flee or contact police for help. Please support this effort to ensure the safety of victims and prevent further domestic violence!

Our Marlton Woman's Club continues to support Providence House, Catholic Charities Domestic Violence Safe House and Services Burlington County and Covenant House, Atlantic City, a safe-haven for homeless teens and youths at risk for human trafficking. These wonderful organizations will be the recipients of the donations brought by our guests to our October Bingo event. (NO expired food please). Thank you in advance for the

amazing generosity of our attendees. A report of the donations will be presented at the October general meeting.

Save The Date: Holiday Dinner

Our Holiday dinner will be **Monday, Dec. 2** and this year, will be catered at the Gibson House instead of going to a local restaurant. We've found that it's been difficult to hear our program at a restaurant that is also open to other diners not to mention fitting our growing club into a confined space. The dinner replaces our December General Meeting.

It's time to start planning for this fun evening so let Linda know if you'd like to be on the planning committee. Andrea Hearing has the sign up sheet.
