

## **Our Community Prayer for February**

### ***Love is the Way and the Way is Love***

*I remind my mind what my heart has always known; I am immersed within and surrounded by pure Spirit, God, Divine Love.*

*The activity of this Perfect Power within me inspires me. I respond to only It. I trust Love - it blesses me with the power of peace and harmonizes the many aspects and activities of my life.*

*My heart awakens to the Wisdom of Divine Mind. The Intelligence of God governs my thoughts perfectly. Honoring both my heart and mind I live in harmony.*

*God is  
Love,  
I am  
Love.  
There is  
only  
Love.  
And so  
it is.*
