

Our community prayer for December

Serving in the Light

There is One Universal Spirit, One Light, One Infinite source
of all things.

I celebrate the Love and Light of the One. It vibrates in every
cell and fiber of my being.

I trust this loving power to light my way into each event,
gathering, and activity of my life. It is the gift I receive graciously
and give generously wherever I am and whomever I am with.

I give thanks that Love and Light is doing its perfect work
in the world now.

In gratitude and delight, I let it be and so it is.
