

## ***Our Community Prayer for January New Beginnings***

*Knowing there is only One Power,*

*one Infinite Mind,*

*and one Boundless Love*

*that make up the One Life of God,*

*I rest.*

*I recognize that there's nothing else - only God,*

*filling every moment, every place,*

*and every situation.*

*In the light of this awareness,*

*I respond to the call of Spirit*

*within me to go forward and onward, trusting*

*It to empower my mind and heart.*

*I mindfully embrace the action of Spirit in me,*

*opening to God's love, wisdom, and joy*

*expressing through me.*

*I gratefully acknowledge and celebrate*

*the activity of God's life in my life.*

*I let it be and so it is.*
