

## Doing Good Deeds Rob Goodson Plumbing Community Service

### MISSION STATEMENT

Doing Good Deeds Community Service is a company program that was created to provide plumbing replacement, service or repair to needy families in the Treasure Valley that are not able to afford services on their own. This company program was designed to deliver the necessary relief to less fortunate families that might otherwise ignore the issues of faulty plumbing systems.

The employees of Rob Goodson Plumbing are committed to this effort that provides for the basic needs of those less fortunate and the belief that helping our community in a time of need is the right thing to do, both morally and business-wise. All of us at Rob Goodson Plumbing are excited about this worthwhile opportunity and hope that through this program, we can make a substantial difference in our community.
