

FACT: Elderly Americans, at all income levels, will become transportation dependent at some point in their lives. We outlive our driving abilities by 7-10 years.

Ride Connect Texas is a life changing opportunity for senior adults and people with disabilities, who have limited or no driving abilities, to stay connected to the community.

In 2017 our volunteer drivers gave over 8,600 trips to medical appointments, pharmacies, grocery stores, social activities and more!

Your \$120 donation provides 8 rides to medical appointments and more for seniors.
