

The Berks, Bucks and Oxon Branch of the NSA/RAF are particularly fortunate to have such an esteemed Patron as Sir John Allison and a hard working President as Peter Jackson. Whilst remaining President, Peter, having started the Branch in April 2008 has now decided to step down (in NSA terms, demob) from the 'Chair' of the Branch. Leadership now rests with a small group of volunteers with specific roles, much as before. Members are encouraged to contact any of the following if they have a suggestion, want to offer their services or have a difficulty with which we might be able to assist.
