Greetings from
PORTMIAMI

Beachcomber Awaits

Beachcomber is officially casting off from PortMiami — because everybody's got a reason to run south to those little latitudes.

Now open for inaugural season bookings, our most immersive ship yet launches in early 2027 with unforgettable sailings to new Eastern Caribbean destinations — and a few more ports you'll be bragging about later.

ST. MAARTEN

An island of two nations, St. Maarten will captivate you with its one-of-a-kind blend of European culture and Caribbean spirit.

ST. THOMAS

From sky-blue bays to colorful coral reefs, St. Thomas is the ultimate mix of island charm and Caribbean adventure.

DOMINICAN REPUBLIC

Lush rainforests, white-sand beaches, and rich cultural roots make the Dominican Republic one of the most vibrant stops on the map.

SAN JUAN

Cobblestone streets, rainbow-bright buildings, and the savory scent of mofongo — San Juan is a feast for the senses.
