

Commercial for Your Home

Your cleaning equipment should work as hard as you do. Now you can own the same tools the pros use – and get the same results – from Sanitaire, the most recognized commercial brand for reliability and performance.

Commercial models from Sanitaire have been trusted by cleaning professionals for more than 35 years. Known for features such as long-life, high-efficiency motors and chrome-plated steel parts, Sanitaire vacuums are built to last - having to perform for several hours every day in abusive environments. The Professional line is made from these same rugged components so your cleaner will have superior performance and last for many years to come - we guarantee it.

A Winning Combination

To get Sanitaire's ultimate cleaning performance, combine a commercial-quality upright for superior carpet cleaning with a compact canister to handle hard floors and detail work. There is no better combination for a thorough around-the-house clean than the ultimate cleaning team from Sanitaire.

S782B

Big on Power, Not on Weight

With two independently-controlled motors for multi-surface cleaning, the S782 can master any challenge at home. Accessories are neatly organized onboard and the handle folds down for easy transport and storage.

Powerful Cleaning from the Commercial Experts

The S635 features a commercial grade motor, 30-foot cord and plastic hood, which combine to offer superior performance and durability.

With a history of reliable service, the S645 shines as an even better option with a headlight and extended life commercial motor that lasts 5 times longer than the average household version.

Best of all, the S675 features high-end details like a chrome hood, looped handle with fingertip controls, 35-foot cord and Micro Allergen filtration system.
