The Royal Lightweight Filtration Bag Upright has your cleaning needs covered. As a bagged vacuum cleaner, it offers excellent filtration, perfect for those with moderate allergies or anyone that wants to ensure dirt is contained.

LIGHTWEIGHT FILTRATION BAG UPRIGHT

UR32200PC

MULTI SURFACE CLEANING

Multi-floor Cleaning with Filtration Power to capture 95% of non-visible particles at 5 microns or greater, such as dust mites, dander & pollens.

ERGONOMIC DESIGN

Designed with an ergonomic handle and weighs only 9 lbs*, so it's easy to carry & use anywhere in your home.

**Approximate weight without cord*

ADDED FEATURES

The cleaning nozzle activation allows for a hands-free start without bending over.

The low-profile, furniture-friendly design & 25 ft cord makes those hard-to-reach areas accessible.

Proudly Made in the USA
of US and globally sourced components.
