TITAN

Heavy Duty Upright

Model Number: T4000.2

Warranty: 1 Year

The carpet and floor selector allows you to switch from cleaning shag carpet to hardwood flooring with the simple flip of a switch, conveniently located on the nozzle. The power wand is great for getting into corners, cleaning high shelves, and hard-to-reach curtains. The crevice tool can get into areas the power wand cannot reach, and the dusting brush is made from natural bristles.

This upright uses a bag and filter that are both HEPA certified. This essentially means that the filter remarkably efficient, filtering up to 99.97% of particles of .3 micrometers.

Switch From Carpet to Hardwood:

The nozzle lets you go from cleaning carpet to hard flooring in less than a second.
