Dear Mr. O'Neill,

On behalf of East Side Elders and our clients, I would like to thank the Vulcan Community Charities for its most generous donation of \$5,000 to our agency.

This funding will help us continue to help our seniors remain in their homes for as long as they are able, by providing rides to medical appointments as well as a long list of services.

I will be pleased to send an end of year update on our programming to report back on the expenditures of this grant.

Again, thank you for your generosity and support.

Best wishes,
