

LIGHTING OF THE LAMPS

A creative way to kickstart events, conferences, launches, meetings and a cultural flavor for welcoming guests.

Proud innovative solutions in India

IMPACTFUL, CREATIVE, ENGAGING

Mobile App enabled digital lighting of the lamp developed in partnership with a specially curated collection of lamps by Museum of Art & Photography, Bangalore

Use Cases:

- Museums
- Conferences
- Events
- Welcome Lobbies
- Experience Centers
- Temples
- Celebrations
- Conventions
- Weddings

Why Choose This:

- **Extremely creative** - used in events across India to welcome guests
- **Easy to Deploy** - quick installation with a readymade setup
- **Personalized Messages** - sent to guests after lighting lamps
- **Curated** - using photogrammetry to curate unique diyas from a museum collection
- **Integrated Payment Gateway** - if needed for contributions from guests.
