

Spring Lake Fish Stocking | June 2, 2021

BIG THANKS to [Prior Lake Association](#), [Sla Spring Lake](#), and [Rotary Club of Prior Lake](#) for their generous donation for bluegill stocking AND for bringing some muscle to help out with the effort today! We really appreciate the support of these great organizations that are helping us reduce the carp populations in Spring & Prior Lakes by contributing to the stocking bluegills that will feast on carp eggs in upstream spawning ponds. Learn more about how you can help us reduce carp populations at www.plslwd.org/carp/!
