About our team

Attached to this document is a profile for your adviser. The adviser profile provides information about their contact details, qualifications, experience and any memberships they may hold.

Why you should choose us

We provide personalised and responsible advice suited to your objectives and believe that sound advice and planning is the key to improving your financial position.

We undertake continuous professional development, to keep us up to date with all applicable legislative, strategy and product changes.

We have access to technical, risk and investment research professionals who provide us with additional analysis on strategies and products that become available.

We will help you determine your goals and weigh up different investment strategies to achieve them.

Most importantly, we turn your thoughts into action. There are no secret formulas for achieving financial security. We work with you to get the basics right and ensure you have a plan to achieve your goals over time.

Approved Products

Advice Evolution Pty Ltd maintains a broad approved list, containing investment and insurance products that have been researched by at least 2 research houses.

Lack of Independence Disclosure

Advice Evolution is owned by advisers and has an open approved products list. As some Advice Evolution advisers continue to be paid commissions for life insurance products and can receive fees based on the asset value of some investments, we must disclose this lack of independence.

Documents you may receive

Our advice will be provided to you in a financial plan, known as a Statement of Advice (SOA). The financial plan contains a summary of your goals, our strategies and financial product recommendations to achieve your goals. It also provides you with detailed information about the fees, costs and other benefits we will receive as a result of the advice we have provided.

We will keep a record of any further advice we provide. You may request a copy by contacting our office.

You will also receive a Product Disclosure Statement (PDS) if we have recommended you invest in or purchase a financial product. The PDS contains key features of the recommended product, significant benefits, risks and the fees you pay the product provider to professionally manage your investment or insurance.

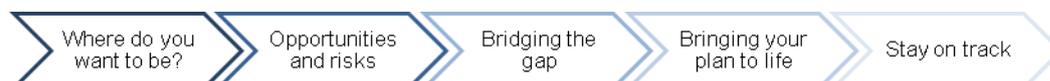

You may also receive an ongoing or Annual agreement which will outline how we monitor your strategy and portfolio and make sure they are the best available to achieve your goals.

You should read any warnings contained in your financial plan, the PDS or IDPS guides carefully before making any decision relating to a financial strategy or product.

You can contact us with any questions relating to your financial products.

Our financial planning process

Everyone has different circumstances, needs and goals. We treat everyone as an individual, but follow a defined financial planning process, to make sure you know what to expect from us.

Identifying where you want to be

We help you identify your financial and lifestyle goals and explain the services we offer to help you achieve them. The type of advice you need could depend on your life stage, the amount of money you want to invest and the complexity of your affairs.

We will help you to identify the issues that need to be addressed to meet your goals. You can then decide whether you want our advice to meet a single need or a broad range of issues.

Considering opportunities and risks

Good personal advice starts with having an understanding of your current situation. We take a close look at your current financial situation – assets, debts, income, expenses and insurance, and explore the options to reach your goals.

Bridging the gap

Based on the research, we will recommend a strategy to bridge the gap between where you are now and where you want to be.

Bringing your plan to life

We work closely with you to implement your financial plan. We help you to complete any necessary paperwork and are available to attend meetings with your accountant, solicitor and general insurer so that your strategy is implemented efficiently.

Staying on track with regular annual or ongoing advice

Time goes on and circumstances and needs change. The final step in our advice process ensures your financial plan remains on track, by providing you with regular ongoing or annual advice.

We will design an annual or ongoing service program so your plan remains up to date.

Transaction services

If you would like us to help you complete a particular transaction without our advice, we can take your instructions and arrange for the transaction to be completed without providing any.

It is important to understand that in these circumstances we will generally ask you to confirm your instructions in writing and to sign a letter that acknowledges you have declined our offer of advice as well as understand the risks of a transaction service. You will be provided with a copy of the letter for your own records.

Fees	<p>We receive initial, implementation and ongoing advice fees and commission for insurance products you purchase. Your financial plan will outline all fees and commission inclusive of GST.</p>
Initial Advice	<p>The initial advice fee ranges between \$2,000 and \$3,000 (+ GST) for a single strategy and from \$3,000 (+GST) for multiple or more complex strategies.</p> <p>If, in developing your financial plan, we identify that you have a complex situation that requires extensive planning and development, our initial advice fee will change. In this case, we will provide you with an upfront quote of the amount payable before we proceed with developing your financial plan.</p> <p>Our initial advice fee covers the cost of researching and preparing your financial plan. Before providing you with initial advice we will prepare an initial advice agreement.</p> <p>The initial advice agreement sets out what our initial advice will cover and how much it will cost.</p>
Advice Implementation	<p>There is a fee payable for the implementation of all recommendations (where required) contained in our advice. This fee is dependent upon the types of products we implement on your behalf. Implementation costs vary depending upon the complexity of the implementation and the estimated time taken to complete the implementation. We will always provide you with an estimate of the implementation costs at the time of presenting an SOA.</p>
Annual or Ongoing Advice Relationship	<p>Aviemo Financial offers clients an annual or ongoing service arrangement. The costs for the provision of an all-inclusive ongoing service and advice package are dependent upon the levels of service and advice required by you, our client.</p> <p>Before providing you with annual or ongoing advice we will prepare an annual or ongoing advice agreement.</p> <p>The annual or ongoing advice agreement will set out what our annual or ongoing advice will cover, your payment method, and how much it will cost.</p> <p>Costs are dependent upon a range of factors including your review requirements and ongoing reporting etc. These costs will be disclosed at the time of our meeting and within our SOA once we have ascertained the levels of service that you would envisage requiring. The Annual or Ongoing Service Package arrangements are flexible and can be changed from time to time as your needs change.</p> <p>You will be provided with a tax invoice for the service provided and you will need to provide a cheque or money order payable to Advice Evolution Pty Ltd in accordance with the invoice</p> <p>Additional advice</p> <ul style="list-style-type: none"> • For additional advice, an hourly rate of \$350 (+GST) is payable. <p>Payment Method & Frequency</p> <ul style="list-style-type: none"> • We offer you the following payment terms: <ul style="list-style-type: none"> ○ Bpay, direct debit (credit card or savings), cheque • Deduction from your investment as an annual instalment or in monthly or quarterly instalments. <p>Annual or Ongoing advice fees may be deducted in a single instalment or in monthly or quarterly instalments.
