Eternity

Eternity

Different materials, shaped into a form with characteristic irregular edges, typical of natural substances. To create a range of unique products of extraordinary authenticity. Four sizes and various materials give rise to infinite solutions. To create personalized spaces and give each environment its own character. Perfect modularity. The 4 sizes can be combined in a multitude of different laying patterns. Or without a specific pattern. And they are also beautiful on their own... simply a textured surface, rich in the nuances of the natural product, capable of conveying the originality of a uniquely designed project in any environment.
