Snack in a Backpack is a 501c3 non-profit organization helping children in Fannin County who are hungry. We place high value on all our donors, individuals, businesses, and professionals. Our organization is supported by many area churches that give regularly as part of their local mission work. Your donation will be carefully stewarded and used for the best benefit of these children.

Join us for our annual event called “Champions for Children” on March 3, 2026, location to be announced shortly. This year we are taking a night to honor members of the community who help children and to raise funds for the Snack in a Backpack program. More details will be provided to our donors and sponsors.

It is easy to help, donate online at www.snackinabackpack.com or mail a check to Snack in a Backpack, PO Box 2123, Blue Ridge, GA 30513. Thank you very much. All donations are appreciated.
