### **Registration Form – Polk County**

Snack in a Backpack is teaming up with these Copperhill churches: 1st United Methodist Church, St. Mark's Episcopal Church, and St. Catherine LaBoure Catholic Church to provide shelf stable children's bags and family bags with a little produce to be delivered or picked up each week on Thursdays.

**For the first time, we will offer bags to children and families in Polk County.**

If you believe your child could benefit from this program, we encourage you to sign up by filling the form out below and returning it to Snack in a Backpack. Only one form is needed for all the children in your family but include information for each child in the space below. This information is kept confidential.

We encourage you to take advantage of this program for your family and your children to help meet nutritional needs. Our children's bag consists of: Milk, cereal/oatmeal, can of protein, mac & cheese, fruit & grain bars, & fruit. We also are adding a "fun food" snack item to the bag. Our Family Meals bags include a shelf stable meal for a family of 4 plus snacks and fresh produce. Questions or Concerns?
