

Small Business Administration (SBA) Express Loans

With speed, experience and technology, we make affordable business capital accessible.

- ✔ **Work with a top SBA Preferred Lender that is focused on speed!** Businesses can access affordable working capital financing up to \$25,000 in HOURS.
- ✔ **Nationwide lending footprint, all 50 states + D.C.** (no population restrictions, and larger transactions up to \$25M may be considered via our SBA 7(a), SBA 504, and USDA programs).
- ✔ **Fast, low documentation underwriting.** We offer streamlined tech-enabled SBA Express financing that often doesn't require hard collateral, bank statements, tax returns, or financials.

- **Financing up to \$25,000** (*larger business loans available via our other internal programs and marketplace*)
- **Low documentation underwriting** (no hard collateral, bank statements, tax returns, or financials in most cases)
- **725+ business owner credit** (*lower credit considered through our marketplace*)
- Most SBA eligible industries considered (some exceptions may apply)
- **2 years minimum time in business** (businesses in operation < 2 years considered through our marketplace)
- Rates from WSJ Prime + 4.50% to 6.50%, fully amortized 10-year monthly payment loans with no prepay penalty

- Loan proceeds are provided as working capital and can be used for most business purposes
- *Alternative financing options offered through our marketplace when internal financing options are not available*

What to expect...

1. Eligible borrowers will be emailed a streamlined application package via DocuSign to complete and sign.
2. The application will be evaluated, internal reports will be pulled, and due diligence will be completed.
3. If approved, final loan documents will be issued via DocuSign and upon completion, the loan will fund.

Same day funding available!
