

RAPTOR'S ROAR

February 2020

RAPTOR REPORT: MR. DILLON

Happy February Robertson Families! With Spring around the corner (hopefully), we are starting to finalize our RICAS State Assessment dates for grades 3-5. It looks like the Reading Assessment will be the week of March 30-April 3, Math will be the week of May 11-15, and Science for grade 5 will be the week of May 18-22. More details will be coming as we get closer. If you haven't done so already, please check your email and take the Survey from the RI Department of Education which gives us great info on our school - it should only take you 10-15 minutes. Thank you :)

We want to hear from you!

Not only does February have 29 days since it is a leap year, but 02/02/2020 is a universal palindrome that hasn't occurred in more than 900 years – since 1/11/1111! The next won't be until 12/12/2121!
