ALLURE BRIDAL COLLECTION

We proudly introduce our new bouquet collection
for this Bridal season.

This collection was inspired and produce with the help of our friends to give you the perfect match! We are happy to show you six different styles that will suit everybody's need. These looks can be send to you in a special wedding box, directly to your doorstep. You can also order your amazing high stem count wedding bouquet! And what makes this collection so special is that we are introducing to you our combo boxes. You can create from boutonnieres, centerpieces, to even garlands. You can also request to have you bridesmaids bouquets sent to you or why not make them yourselves.

We have partner up with the best in bridal for dresses Alexis Bridal, for rentals The Lounge and for cutlery Felix platos together we can give you the perfect match! We created this catalog with their amazing products so you can have a complete look!

So with no further to do and say take a look at your perfect match!
