

AxILION FUND 1

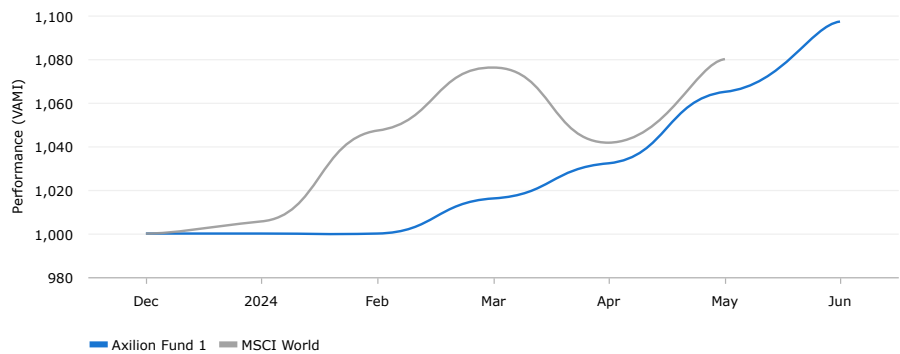

KEY HIGHLIGHTS

- Monetization of gold supply chain inefficiencies.
- Fully-Secured and insured transactions.

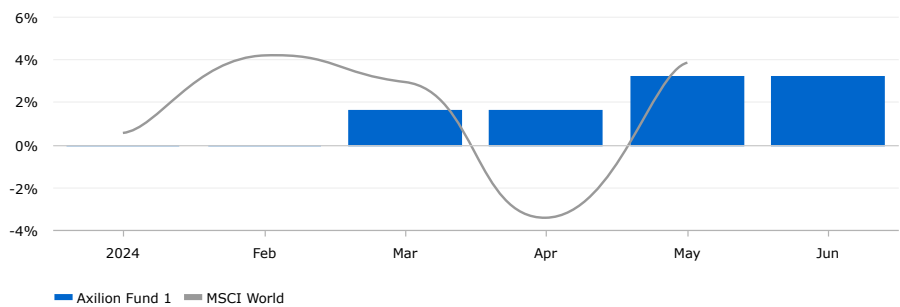

STRATEGY DESCRIPTION

Axilion Fund 1, managed by TigerEdge LLC, strategically capitalizes on the arbitrage opportunities in the gold market, specifically targeting the procurement segment of the supply chain. The fund primarily focuses on acquiring dore gold and bullions from artisanal mines in Central Africa, leveraging the region's rich resources and lower procurement costs. By facilitating direct transactions and streamlining logistics to refineries in the UAE, the fund aims to maximize profit margins. This targeted approach ensures efficiency and value extraction at the most lucrative points in the gold procurement supply chain, aligning with our commitment to delivering robust investment returns.
