AMENITIES

These rooms are just a short indoor walk to the heated pool, hot tubs, fitness center, steam room, sauna, spa, gift shop, sundry shop, coffee bar and patio fire pit!

FOOD

There are two fabulous dining options in the Lodge, Stillwaters Restaurant and T.J. Muskie's Bar and Grill. Both offer the best of gourmet dining in a casual atmosphere.

RESORT

There are a lot of ways to enjoy the 2,000 private acres year round. The cool weather season is perfect for sipping your favorites and cuddling a little closer. Lake cruises, hikes on the trails and evenings on the patio in the crisp air of winter make the warmth of our recently renovated lodge rooms even more welcoming.

THE CROP!

Enough about the beautiful resort, let's talk about the crop! We will be situated in the spacious ballroom and adjacent smaller conference rooms. Each cropper will have their own 6' x 2 1/2' table with access to electric with a pre-installed surge protector and extension cord, along with a recently updated ever so comfortable executive padded swivel chair for the weekend!

WORKSHOPS AND DEMOS

There will be optional in-person and on your own workshops available with varied interests, themes and price points - all designed to educate and inspire you with new products and completed projects! These will be announced in November/December with the option of signing up in advance. Be sure to join the exclusive FB group to be the first to see and sign up for these, while supplies last!

GAMES

What would a crop be without GAMES and PRIZES and CROP CASH!

AUCTION

What is CROP CASH? It's money you earn for participating, purchasing, winning, joining, etc. And there will be plenty of prizes to bid on with your CROP CASH! Usually well over \$1,000 in retail prizes! What are YOU willing to do for a buck?
