Ma. Gladys Becbec

Dedicated and detail-oriented Web Developer seeking an opportunity to use my extensive knowledge of HTML, CSS, and JavaScript to create responsive and accessible websites. I am excited to work in a collaborative team setting where I can use my web development skills to contribute to the company's success.

WORK EXPERIENCES

Front-end Developer
Nextclient - Remote
November 2022-Present

- Developing and maintaining the user interface of a website or web application.
- Writing clean, efficient, and well-documented HTML, CSS, and JavaScript code that is compatible with various browsers and devices.
- Testing and debugging code to ensure that it is error-free and meets project requirements.
- Optimizing website and application performance by optimizing code, images, and other assets.
- Ensuring that the website or application is accessible to users with disabilities and is compliant with relevant accessibility guidelines.
- Staying up-to-date with the latest front-end development trends, techniques, and technologies.
- Communicating with designers or project managers to provide progress updates and resolve any issues or concerns.
- Continuously learning and improving your skills and knowledge of front-end development tools and frameworks.

Web/Graphic Designer
InfinitePoints Philippines Inc.
March 2016 - August 2022

- Creating designs for websites, social media, and other digital platforms that are visually appealing, user-friendly, and on-brand.
- Developing concepts, graphics, and layouts for web and print materials, including logos, brochures, flyers, and banners.
- Conducting research to stay up-to-date on industry trends and best practices in web and graphic design.
- Translating design concepts into working HTML/CSS templates for web development teams.
- Optimizing images and other graphics for web and mobile use.
- Testing designs for usability and user experience and making necessary adjustments.
- Managing multiple design projects simultaneously, ensuring that they are completed on time and within budget.
- Communicating with project managers to provide progress updates and resolve any issues or concerns.

eBook Designer
Author Solutions Philippines Inc.
September 2011- March 2016

- Creating visually appealing and engaging designs for eBooks, including covers, interior layouts, and illustrations.
- Ensuring that the design of the eBook is optimized for different platforms and devices, including e-readers, tablets, and smartphones.
- Working with various file formats, including PDF, ePub, and MOBI, to ensure compatibility with different e-reading devices and software.
- Testing eBooks for functionality and user experience and making necessary adjustments.
