EXPERIENCE

About Us

2 Lions Group is a Veteran-owned, minority-owned small business, certified as an SDVOSB (Service-Disabled Veteran-Owned Small Business). We bring over **8 years of project management experience at The Boeing Company** and **3 years of expertise at Lockheed Martin** to the table. Our team excels at delivering tailored, innovative solutions that meet the specific needs of federal agencies. Leveraging **Lean Six Sigma Green Belt** certification, we drive efficiency, reduce costs, and ensure high-quality outcomes for our clients.

What Sets Us Apart

1. **Veteran & Minority Leadership:** As a veteran and minority-owned business, we embody values like honor, courage, and commitment in all our operations.
2. **Proven Experience:** With over 15 years of project management experience; we bring extensive industry experience and knowledge.
3. **Lean Six Sigma Certified:** Our Green Belt certification allows us to optimize processes, reducing costs and improving quality.
4. **SDVOSB Certified:** As a Service-Disabled Veteran-Owned Small Business, we are committed to excellence in serving government agencies.
5. **Diverse Services:** From project management to real estate, staffing, logistics, and technical support, we offer comprehensive, customized solutions for government needs.

PAST PERFORMANCE
