Unless otherwise approved by the Architectural Control Committee, each main residence building will face the front of the Lot, and each detached or attached garage will either face upon the front lot line or face upon a line drawn perpendicular to the front lot line, and shall not be located nearer to the front lot line than the minimum building setback lines shown on the recorded plat; provided, however, that upon approval of the Architectural Control Committee, any detached garage located more than sixty-five (65) feet from the front lot line shall not be required to face upon said lot line. Section 7. Temporary Structure. No structure of a temporary character, whether trailer, basement, tent, shack, garage, barn or other out building shall be maintained or used on any Lot at any time as a residence, or for any other purpose, whether temporarily or permanently; provided, however, that Declarant reserves, for itself and its assigns, the exclusive right to erect, place and maintain such facilities or maintain a sales or construction office in or upon any portions of the Properties as in its sole discretion may be necessary or convenient while selling Lots, selling or constructing residences and constructing other improvements upon the Properties. Such facilities may include, but not necessarily be limited to, sales and construction offices, storage areas, model units, signs and portable toilet facilities.

Permanent or semi-permanent storage (which is defined as exceeding a 48-hour time period) of such vehicles or items must be screened from public view within the garage. The Board of Directors of the Association may adopt rules for the regulation of the admission and parking of vehicles within the common areas, including the assessment of charges to Owners who violate, or whose invitees violate, such rules.

provided) and in no event will it exceed the amount of \$375 per Lot during 1992 and may not be increased by more than fifteen percent (15%) over the assessment levied for the prior year without a vote of the members. Assessments shall commence as to a Lot at such time determined by the Board of Directors of the Association and shall be prorated based upon the amount of time remaining in the year in which the assessments commence. Declarant and any builder to whom Declarant sells a Lot shall only be liable for one-half (1/2) of the maintenance charge or assessment for each Lot owned by them until such time as a home is substantially completed on such Lot. From and after the time a residence is substantially completed on any Lot, regardless of the ownership of such Lot, the Owner thereof shall pay the full assessment thereon. The Association shall use the proceeds of said maintenance fund for the use and benefit of all residents of the Subdivision. The uses and benefits to be provided by said Association shall include, by way of clarification and not limitation, at its sole option, any and all of the following: constructing and maintaining alleys, paths, parks, parkways, easements, esplanades, cul-de-sacs and other public areas, payment of all legal and other expenses incurred in connection with the enforcement of all recorded charges and assessments, covenants, restrictions and conditions affecting the Properties to which the maintenance fund applies, payment of all reasonable and necessary expenses in connection with the collection and administration of the maintenance charge and assessment, employing policemen and watchmen, caring for vacant Lots, and doing other things necessary or desirable, in the opinion of the Association, to keep the Properties in the subdivision neat and in good order or which is considered of general benefit to the Owners or occupants of the Properties, it being understood that the judgment of the Association in the expenditure of said fund shall be final and conclusive so long as said judgment is exercised in good faith. Nothing herein shall constitute a representation that any of the above will, in fact, be provided by the Association. Each person who accepts a deed to a Lot or Lots agrees, by the acceptance of same, to pay such maintenance charge and assessments as herein provided.

Section 2. Term. The above maintenance charge and assessments will remain effective for the full term (and extended term, if applicable) of the within covenants.

Section 3. Liens for Payment. To secure the payment of the maintenance fund established hereby and interest at ten percent (10%) per annum, costs, late charges and attorney's fees for collection to be levied on individual residential Lots, there is reserved in each deed (whether specifically stated therein or not) by which the Declarant will convey such Lots, a vendor's lien for the benefit of the Association. Said liens are to be enforceable through appropriate proceedings at law by such beneficiary or through non-judicial foreclosure in accordance with Texas Property

Code Section 51.002 et seq, as the same may be amended or modified from time to time. Each Owner by acceptance of a deed has vested in the Association a power of sale to be exercised by its agent in accordance with its By-Laws and the laws of the State of Texas. After foreclosure, all occupants of the property shall be tenants at will and may be evicted in Justice of the Peace Court; provided, however, that each such lien shall be secondary, subordinate and inferior to all liens, present and future, given, granted and created by or at the instance and request of the Owner of any such Lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the construction of improvements on any such Lot to the extent of any such maintenance fund charge accrued and unpaid prior to foreclosure of any such purchase money lien or construction lien; and further, provided that as a condition precedent to any proceeding to enforce such liens upon any Lot upon which there is an outstanding valid and subsisting first mortgage lien, for the aforesaid purpose or purposes. Upon the request of any such first-mortgage lienholder, the Association shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular Lot covered by such first mortgage lien to the holder thereof.

Section 4. Subordination of Lien. The vendor's lien, reserved herein as security for the payment of the assessments set out herein, shall be subject, subordinate, inferior and secondary to all liens, mortgages and encumbrances, whether now or hereafter existing, that (i) are created to secure the payment of the purchase price of all or any part of any Lot (and any improvements thereon), situated within the plats establishing Wynfield Estates Section I and Wynfield Estates Section II, or (ii) are created to secure the payment of all amounts due or to become due under and by virtue of any contract, now or hereafter situated upon all or any part of the Lot situated within the plat establishing Wynfield Estates Section I or Wynfield Estates Section II. The sale or transfer of any Lot shall not affect the lien securing the assessments provided herein. However, the sale or transfer of any Lot, pursuant either to mortgage foreclosures or to any proceeding in lieu thereof, shall extinguish the lien of such assessments as to any payments that have become due and payable prior to such foreclosure sale or transfer in lieu thereof. No foreclosure or sale or transfer in lieu thereof covering any Lot shall relieve the purchaser or transferee thereof from liability for any assessments thereafter becoming due and payable nor release any such Lot from the lien securing payment of such subsequent assessments.

In the event the Architectural Control Committee fails to approve or disapprove such plans and specifications within thirty (30) days after the same are submitted to it, approval will not be required and the requirements of this Section will be deemed to have been fully complied with.

In the event of death or resignation of any member or members of the Architectural Control Committee, the remaining member or members shall appoint a successor member or members, and until such successor member or members shall have been so appointed, the remaining member or members shall have the full authority to approve or disapprove plans, specifications and plot plans submitted or to designate a representative with like authority.

Section 4. Minimum Construction Standards. The Architectural Control Committee may from time to time promulgate an outline of minimum acceptable construction standards; provided, however, that such outline will serve as a minimum guideline and such Architectural Control Committee shall not be bound thereby.

Section 5. Term. The duties and powers of the Architectural Control Committee and of the designated representative shall cease on and after ten (10) years from the date of this Declaration, or upon assignment to the Association of such duties by Declarant. ## UNDERGROUND RESIDENTIAL SUBDIVISION

An underground electric distribution system will be installed in those parts of Wynfield Estates Section I and Wynfield Estates Section II designated herein as Underground Residential Subdivision, which underground service area embraces all of the Lots which are platted in Wynfield Estates Section I and Wynfield Estates Section II. In the event that there are constructed within the Underground Residential Subdivision structures containing multiple dwelling units such as townhouses, duplexes or apartments, then the underground service area embraces all of the dwelling units involved. The owner of each Lot containing a single dwelling unit, or in the case of a multiple dwelling unit structure, the Owner/Developer shall, at his or its own cost, furnish, install, own and maintain (all in accordance with the requirements of local governing authorities and the National Electrical Code) the underground service cable and appurtenances from the point of Electric Company's installed transformers or energized secondary junction boxes, such point of attachment to be made available by the Electric Company at a point designated by such Company at the property line of each Lot. The Electric Company furnishing service shall make the necessary connections at said point of attachment and at the meter. The owner of each Lot containing a single dwelling unit, or in the case of a multiple dwelling unit structure, the Owner/Developer, shall at his or its own costs, furnish, install, own and maintain a meter loop (in accordance with the then current Standards and Specifications of the Electric Company furnishing service) for the location and installation of the meter of such Electric Company for each dwelling unit involved. For so long as underground service is maintained in the Underground Residential Subdivision, the electric service to each dwelling unit therein shall be underground, uniform in character and exclusively of the type known as single phase, 120/240 volt, three wire, 60 cycle, alternating current.

The Electric Company shall not be obligated to provide electric service to any mobile home unless (a) Declarant has paid to the Company an amount representing the excess in cost, for the entire Underground Residential Subdivision, of the underground distribution system over the cost of equivalent overhead facilities to serve such Subdivision or (b) the Owner of each affected Lot, the applicant for service to any mobile home, shall pay to the Company the sum of (1) \$1.75 per front lot foot, or it having been

#### GENERAL PROVISIONS

Section 1. Enforcement. In the event of any violation or attempted violation of any of the terms or provisions hereof, including any of the restrictions or covenants set forth herein, enforcement of the terms and provisions hereof shall be authorized by proceedings at law or in equity against any person or persons so violating or attempting to violate any of the provisions hereof, including by means of actions to restrain or prevent such violation or attempted violation by injunction, prohibitive or mandatory, and it shall not be a prerequisite to the granting of any such injunction that there be an inadequate remedy at law or that there be any showing of irreparable harm or damage if such injunction is not granted. In addition, any person entitled to enforce the provisions hereof may recover such damages, either actual or punitive, as such person may show himself justly entitled by reason of such violation of the terms and provisions hereof. The terms and provisions hereof may be enforced by Declarant, by the Association (and the Association is hereby expressly authorized to use its funds for the purpose of assisting in the enforcement of the terms and provisions hereof) or by the owner of any Lot shown in the plat establishing Wynfield Estates Section I or Wynfield Estates Section II. Failure by the Association or any Owner to so enforce any covenant or restriction hereof shall not be construed to constitute a waiver of the right to thereafter enforce such provision or any other provision hereof. No violation of any of the terms or provisions hereof, or any portion thereof, shall affect the rights of any mortgagee under any mortgage or deed of trust presently or hereafter placed of record covering any of the land shown to be within the plat establishing Wynfield Estates Section I or Wynfield Estates Section II. The costs and attorneys' fees for such action shall be added to the maintenance fees and subject to all remedies, interest, late charges and costs of collection therefore.

Section 2. Term. These restrictions shall run with the land and shall be binding upon all parties and all persons claiming under them for a period of forty (40) years from the date these covenants are recorded, after which time said covenants shall be

automatically extended for successive periods of ten (10) years each, unless an instrument signed by a majority of the then Owners of the Lots shall have been recorded agreeing to change or terminate said covenants in whole or in part. These covenants, or any of them, may be amended, by an instrument signed in writing by the Owners of a majority of the Lots and the recording of said instrument with the County Clerk of Harris County, Texas. Any such instrument shall show the Lots owned by each Owner signing same, and, in case the property is owned by a man and wife as community property, the signature of the husband alone shall be sufficient except that in cases where the husband resides elsewhere or has abandoned his wife, her signature along shall be sufficient.

Section 3. Severability. Invalidation of any one of these covenants by judgment or other court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

Section 4. Annexation. Additional property may be annexed into the jurisdiction of the Association by recorded restrictions so stating upon the approval of the Board of Directors of the Association. The Owners of Lots in such annexed property shall be entitled to the benefits that are afforded to the Owners under this Declaration, provided that such annexed property shall be impressed with and subject to the same annual maintenance assessment imposed hereby.
