100 MILE CLUB

STUDENT & PARENT CONTRACT

- Only students with forms on file will receive a lap tracking ID Card.
- I will treat all students and parent volunteers with kindness and respect
- I will keep my hands to myself
- I will bring my 100 Mile Club ID Card to school each day and wear it while participating. The volunteers will scan my id card with each lap to keep track of my mileage.
- I will circle the entire lap. I will not cheat or cut corners.
- I will wear appropriate shoes. If I don't have appropriate shoes I will only walk.
- If I participate in any organized runs I can bring my bib or medal and will receive 100 mile club credits! Virtual Runs do not count!
- When it is "runners only" time, I will run the rest of the time given, or go to class (we have this rule so kids do not arrive late to their classrooms).
- I will stop running when instructed to do so.
- If I am a kindergartener or extended K student I must be supervised by a parent
- Parents are allowed and encouraged to participate but are expected to follow the same rules – Parents fill out this form front and back if you want a lap tracking ID card.
- If I do not follow the rules there will be consequences. I may not receive full credit for laps ran or I may be asked to no longer participate in the 100 Mile Club
