

VESTIAIRE DONATION CHUTE

Thank you for donating your good used items for resale at our store in support of the food bank!

Our food bank supports over 600 individuals in need monthly, throughout 18 communities in our region. Without your generosity, we would not be able to accomplish this task. Thank you!

DONATION CHUTE HOURS:

MONDAY TO FRIDAY 8 AM TO 6PM

Our donation chute is closed after hours. Please do not drop items after hours as this encourages rummaging and increases our waste costs while lowering productivity. Our facilities are no trespassing after hours.

The donation chute may have to close during business hours due to an increase in items and lack of space for our staff and volunteers to social distance. Please call our donation chute phone line at **506 532 1169** if you require further information.
