

2026 NE OR RANGELAND SUMMIT

Deep Roots and Fresh Faces:
Sustaining Traditions While Growing the
Next Generation

March 18, 2026 | 9 am - 4:30 pm
La Grande Armory Conference Center

Join producers, land managers, researchers, and community partners for a **FREE, full-day event with lunch provided**, focused on the future of Northeast Oregon rangelands featuring:

- **Keynote Speaker:** Chad Boyd, Range Scientist & Research Leader, Eastern Oregon Agricultural Research Center
- Screening of *Against the Herd*, a Western Landowners Alliance Film
- Insightful discussions on
 - Grazing with Intent - how virtual fencing technology is transforming rangeland management
 - Deliberate Water Use, Resilient Pastures, & Drought Readiness
 - Growing the Next Generation of Rangeland Stewards
