

Total New INTEGRATED THINKING

THINKING FOR YOURSELF

The Past

Bicameral perspective and geocentric view is FALSELY projected onto man by parasitic elites

- Man **must dismantle** the Mystical construct/matrix that has imprisoned him forever
- No more you can't, you won't, you shouldn't, you're not capable, you have no rights, you cannot think, you must obey, you must be led, you're not worthy, we know all, you know nothing, you have nothing, you are powerless, you are slaves, you are Useless Eaters

Parasitical Leaders live off of *your* efforts, *your* value, *your* production, and then make **YOU** think and believe that *they* are here to help you!

- **YOU** must stop waiting for parasitic leaders to make opportunities for you because *they work against you in every aspect of life*
- **Leave behind** stagnant *Specialized* thinking that leaves you in zombie like rut for well-to-do leaders so *they can continue to survive*
- Your Desire to help others become Self Thinking and Self Leaders is **very Freeing and Uplifting** for your Self and all mankind
- Understand **Integrated Thinking** offers vitality and health, loving relationships, youth, strength, contribution after contribution, insight, great wealth, abundance, becoming disease-free, becoming conscious and so clear, that everything you do and accomplish will have you *prosper and flourish*

Embrace Integrated Thinking to free your Self to be a dynamo for your Self with *Unlimited Possibilities*

Mysticism—the destruction **dis-ease**, and new cheaters reversed man's conscious awakening 2000+ years ago to **take control of the masses and block brain** integrations to erode all value

- Breeds dishonesty, malevolence, and death
- Is suicide on all levels: personal, family, social, business, local, national and world levels

Today, leaders and new cheaters manipulate mass mysticism to establish a ruling class and block the path into Total Integrated Thinking, Self Leadership, freedom, and wealth

Civilization has been Self Thinking and Self Leaders for 2000+ years, but they just don't know it!
