

UPDATE!!!

March 16, 2020

Dear Applicants and Employers,

Yes2Jobs thinks the health and safety of our community very important. In light of concerns about the spread of COVID 19 (Corona Virus), our team has decided to extend the deadline for submissions to be part of our summer 2020 cohort of interns and employers.

While the current number of cases has been relatively low throughout Southern California, we are following the recommendations provided by the World Health Organization (WHO) and the Center for Disease Control (CDC) by minimizing the number of public, non-essential gatherings to prevent the spread of the virus

We also encourage youth, families, and community members to monitor updates provided by the WHO and CDC for the very latest information on how to stay safe.

If you have any other questions and/or concerns please email us at Info@Yes2Jobs.
