Micato Safari

Safari by helicopter. It's a rush that you can't quite get any other way, whether whirling over Kenya's gamelands, buzzing flocks of flamingos at Lake Bogoria, or soaring over the floodplains of the Okavango Delta.

Micato

Or perhaps it's more your speed to float gently over the Serengeti and Maasai Mara in a hot-air balloon to watch the Great Migration.

And that just scratches the surface of what you can do from the sky.

By sea you might yacht along the Cape of Good Hope, canoe through the Okavango Delta to cavort with hippos, or kayak in Cape Town to meet up with penguins. And, of course, you can safari by vehicle, horse, camel, or on foot.

If this sounds like something you'd be interested in learning more about, contact

us today.

Kyoto, Japan

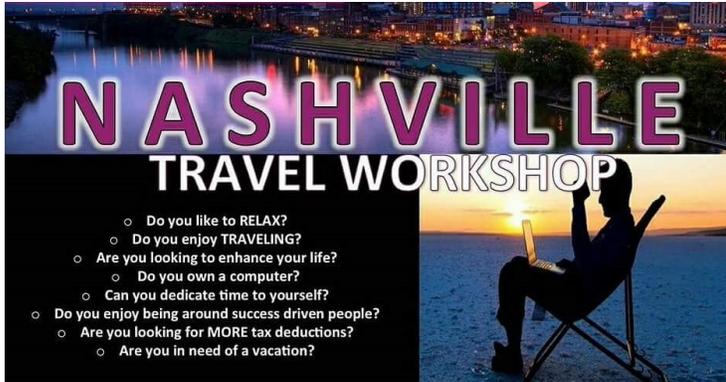

It might not be the first place that comes to mind when you think of fall, but Japan is a must-see this time of year! The changing of the leaves, called koyo, begins in the north and moves south as the weeks pass, setting skylines ablaze with deep crimson and gold.

Fall in Kyoto, Japan

If you're looking for great foliage against the backdrop of classic, Japanese gardens and temples, check out Kyoto or Kanazawa. Plan your trip around the first week of November and you may also get to experience a Bunka-no hi celebration, or Culture Day.
