Gtar Phil and The Chank

Music Corner

We realize we haven't given a lot of attention to our Entertainment Division, so we decided to introduce you to a few of our friends.

Check out *Gtar Phil and The Chank*. Cherie recently sang with Phil during the Americana Fest in Nashville. It was a wonderful experience for her, singing backup for Phil, as well as Rev. Sekou (we'll highlight him soon).

Phil recently released his latest project, **Worker Bee**. We think you will thoroughly enjoy it. Check out his website for more information. Just click on the picture. (*Harlem* is nice, too!)

RIU
Hotels & Resorts

Finally, somewhere you can always count on.

NO MATTER WHERE YOU GO, YOU'LL FIND A HOME AWAY FROM HOME AT RIU HOTELS & RESORTS.

What's one of the most important things about any resort? We think it's providing consistent all-inclusive quality in some of the world's top vacation destinations. And that's where RIU Hotels & Resorts really shines. So whether you stay at Riu Cancun, Riu Montego Bay, or venture to Riu Palace Aruba, you're sure to find your RIU. It's always the place that's perfect for you. And with Riu Palace and Riu Classic resorts waiting in Mexico, the Caribbean and Central America, each resort will be better than the last. Plus, you can always leave your wallet in your room. Why? Everything's included. That means unlimited dining, drinks, entertainment and more. So lounge on the beach, swim in the beautiful water and relax. It's all taken care of.
