

passive aggressive

Inspired by intrigue and uncomplicated indulgence.

Every vintage is different, yet always uniquely Southern Oregon.

2016 Grenache

The 2016 Passive Aggressive Grenache is 100% sourced from our family owned and operated Estate Vineyard, the unique terroir and hot west facing aspect providing ideal growing conditions for this classic Rhone varietal.

Bright acidity and a higher than average alcohol content beautifully balance bold notes of ripe red currant and stewed strawberries, all with an underlying component of complex spice revealing itself through a long finish.

A refreshingly layered wine that never sits heavy on the palate and can be enjoyed year around.

100% Grenache
20 Months in Barrel
100% French Oak
30% New Oak
14.4% Alcohol
3.70 pH

Based on our unique Southern Oregon climate, some vintages tend to be more passive, while others are more aggressive. Which one are you?
