

passive aggressive

Inspired by intrigue and uncomplicated indulgence.

Every vintage is different, yet always uniquely Southern Oregon.

2016 Red Wine

More than any previous vintage, the 2016 Passive Aggressive Red Blend represents a balance between bold aggressiveness and passive elegance, politely demanding you luxuriate in the decidedly indecisive.

A unique blend of Tempranillo, Syrah, Petite Sirah and Grenache, this wine stands as a beautifully approachable and versatile representation of the unique character of our Southern Oregon Estate Vineyard.

Layered tannins from start to finish, this wine hits the mouth on a bold note of dark chocolate, followed by bursts of blueberry and dark currant fruits, with a hint of white pepper and earth to compliment a smooth, lasting finish. A versatile addition to any cellar.

Blend

40% Tempranillo
24% Syrah
21% Petite Sirah
15% Grenache

20 Months in Barrel

100% French Oak
15% New Oak
13.9% Alcohol
3.73 pH

Based on our unique Southern Oregon climate, some vintages tend to be more passive, while others are more aggressive. Which one are you?
