

passive aggressive

Inspired by intrigue and uncomplicated indulgence.

Every vintage is different, yet always uniquely Southern Oregon.

2016 Syrah

The 2016 Passive Aggressive Syrah is a chance to enjoy a beautiful blend of three different clones, from three different blocks, at three different elevations, yet still 100% sourced from our family owned and operated Southern Oregon Estate Vineyard.

Front loaded with aromatic fruit notes of blackberry and blueberry, the jammy nature of this full-bodied wine is beautifully restrained by fine tannins and balanced acidity. Throughout, notes of spice and earthy leather add complexity and a lingering finish reveals a final surprise of toasted sugar.

Pair this wine with heartier fare or simply enjoy its robust complexity on its own.

100% Syrah
20 Months in Barrel
95% French Oak
5% Oregon Oak
10% New Oak
14.4% Alcohol
3.75 pH

Based on our unique Southern Oregon climate, some vintages tend to be more passive, while others are more aggressive. Which one are you?
