# BIG DATA ANALYTICS MANAGEMENT & INNOVATION INTERNATIONAL CONFERENCE ATLANTA, GA JANUARY, 22, 2015

## HONORARY GUEST SPEAKERS

## HONORARY GUEST SPEAKERS

## HONORARY GUEST SPEAKERS

**Mike McGill, PhD**  
**Statistician**  
Advanced  
Atlanta, GA, USA

**Wenxuan Zhong, PhD**  
**Associate Professor**  
Department of Statistics  
University of Georgia  
Atlanta, GA, USA

**Dave Bose**  
**Vice President- Modeling  
and Simulation**  
Analytical Mechanics  
Associates, Inc  
Hampton, VA, USA

Dr. McGill analyzes large datasets used in the accreditation process for a multitude of K-12 schools across and outside the U.S. He taught Statistics at both Virginia Tech and the University of Georgia.

For two years, Dr. Zhong worked as a postdoc fellow in Harvard University, Boston, MA. She joined the Department of Statistics at the University of Georgia in August of 2013. Before Dr. Zhong moved to UGA, she was an Assistant Professor in the Department of Statistics at the University of Illinois at Urbana-Champaign. She holds a Ph.D in statistics from Purdue University and graduated with a B.S. in statistics from Nankai University (China).

Dave is an aerospace engineer helping businesses predict and manage their future through analytics, modeling and optimization. He is Vice President of Modeling and Simulation at Analytical Mechanical Associates, Inc. where he focuses on advanced business analytics. He guides and contributes to technology development in the business analytics space and its application to problems in industry, particularly financial services and education.
