The American Legion was chartered and incorporated by Congress in 1919 as a patriotic veterans organization devoted to mutual helpfulness. It is the nation's largest wartime veterans service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow servicemembers and veterans. So in honor of our Veterans and Memorial Day, this month's challenge will be a Bingo that honors at least 5 American Legion Post (or as many Bingos as you want to complete, each is a separate entry).

Complete your Bingo board either horizontally, vertically, or diagonally in a straight line by visiting the American Legions corresponding to the letter in each box and getting a picture of your motorcycle with a sign showing you were at that location. You cannot repeat Locations. The sign can be on the building, or in front of the Hall, or on the edge of the street, etc. The square with "Big Moose" is a free space. When you have a BINGO of pictures, submit them to SMPHOG Secretary Anne Zahares before May 31st, 2026, and indicate which line or column or diagonal your BINGO is in. All participants who successfully complete the challenge will be entered into a random drawing at the end of the month for a \$25.00 Big Moose gift card.

Additionally, all participants who successfully complete the monthly chapter challenges will be entered into a random drawing at the annual SMPHOG Christmas Party for a chance to win a \$50.00 Big Moose gift card.
