

October

St. Joseph Parish School

A Note from Mrs. Makruski

As the autumn leaves roll in and sweater weather takes over, October is a great time for a quick tune-up on our family wellness routines! In Catholic education, taking good care of our bodies is one of the simplest ways we show gratitude for the health God gives us. To keep those sneaky seasonal germs at bay, please help us reinforce the basics at home: good handwashing, balanced meals, and regular bedtimes.

If your child wakes up with a fever or is feeling under the weather, keeping them home to rest is the best way to help them recover. Beyond physical health, fall is also a great reminder to catch our breath spiritually. Between sports, homework, and family events, life gets busy fast! Taking quick, intentional pauses to pray together—like sharing a moment of gratitude at dinner or taking a family walk—keeps our kids and us grounded in Christ's peace.

Thank you for partnering with us to keep our school family happy, healthy, and blessed!

October Birthdays

10/2-Mrs. Makruski, Ms. Rice
10/3-Eleonore DeLaat
10/4-Owen Kermes, Lily Sweeney
10/5-Mrs. Crow
10/7-Kellen Kubal
