St. Joseph Parish School Newsletter

A Note from Mrs. Makruski

September is a wonderful month of settling into routines and enjoying the weeks of beautiful weather leading into fall. It is also a month of long, 5 day school weeks. Please be sure to work routines into your family life that account for evening school work/practices, plenty of rest and family time, and time for a good, nutritious breakfast each day. These things will help to build stamina as the month goes on.

This month we will also be taking our 1st round of MAP tests for the year, beginning the week of 9/8. Please refrain from scheduling appointments during the day, if possible, and avoid absences except for illness.

Our "lost and found" pile is already starting at SJS. Please label the items your children bring to school, especially: lunch boxes, water bottles, sweatshirts, sweaters, and jackets!

Wishing everyone a safe and blessed September!
