November

St. Joseph Parish School

A Note From Mrs. Makruski

At this time of year, it is easy to look around and see all of the things we have for which to be grateful. The extended beautiful weather, opportunities to come together as family, community events, and a general feeling of anticipation of all of the exciting things to come.

In this season, I would like to give a heartfelt thank you to all of the families, friends, and loved ones that support our students and school each day. We each feel very blessed to be part of such a special community.

As we get into the "busy" time of the holidays, please remember to keep making time for at-home practice of school skills. This nightly practice makes a big difference! In November and December combined, we only have 29 days of school! Each moment counts!

Please keep me and all of my teachers and staff in your prayers, as we keep you in ours.

Sincerely,
Mrs. Makruski
